Dear Colleague,

Greetings and Happy New Year.

We have to plan for having prolific and productive activities during the year 2008. I am confident with your co-operation and active participation we will have many fruitful activities in the I.O.A and State Chapters.

I particularly seek your help for the following:

1. Presidents theme for 2008: **“SAVE BONES-PREVENT OSTEOPOROSIS “**

The following is the plan of action:

1. Printing of the President's theme on all the Letter Heads, Newsletters, Brochures and Souvenirs of conferences of State Chapters.
2. Arranging Guest Lectures/Symposia in State Chapter Conferences on “Osteoporosis”.
3. Arranging program on Osteoporosis on 19th October 2008 on the eve of World Osteoporosis Day. It will be designed to educate the public and to encourage physicians to monitor and advise their patients about the importance of bone health, the status of their bone mineral density and to calculate their fracture risk. Half of women and nearly one-quarter of men will develop osteoporosis, and the numbers will climb with the increasing lifespan of the Indian public. Awareness also needs to be raised about the importance of maintaining bone health among younger people. “Prevention is the key; we need to start with younger people. Teaching children between the ages of 9 and 19 will make all the difference in prevention.”

This will consist of

- a. BMD camps for detection of osteoporosis.
 - b. Distributing pamphlets in local language on osteoporosis awareness.
 - c. Public awareness lectures on osteoporosis.
 - d. Organising Talk Shows, T.V interviews, articles in the local press on Osteoporosis awareness and prevention.
 - e. Distribution of C.D prepared on the above
2. We are planning to start more academic activities and fellowships for the benefit of our members.
 3. We plan to publish an address directory this year. Please send your address with E mail and phone no. on the proforma sent with news letter, or update on web yourself.

Do send me your suggestions for other activities for this year.

Looking forward to your prompt reply to enable us to start acting on your inputs.

With personal regards,

Yours Sincerely,

(SC Goel)
PRESIDENT, I.O.A

Dear Colleagues,

I bring good wishes from Chennai and the House of IOA. In the year 2007 we have seen lot of activities under the leadership of our Immediate Past President Dr. H.K.T. Raza. There were new proposals for both Inland and Foreign fellowships, close collaboration of British and Australain Orthopaedic Association with IOA, negotiations to bring JBJS British Edition to IOA members at affordable cost and topping it all with a successful bid of APOA Conference at Delhi in the year 2012. What a wonderful year for Dr. HKT Raza and for IOA. For our association Iam sure you will all join with me in congratulating & thanking our Immediate Past President Dr. Raza for his effort.

IOACON 2007 : The IOACON 2007 held at Kolkatta was a good success in terms of arrangement, venue selection and academic content. The conference had initial hiccups like some of the previous years. From CME day onwards conference went on well. Some of the halls were overcrowded and members had to stand and listen to lectures. The arrangement of food counters were excellent and delegates enjoyed the hospitality. The trade wing was also happy that the delegates had to pass through the stalls to reach food court which allows them to exhibit to almost all delegates. Overall, it was a very successful event and we all congratulate Dr. T.K. Maitra and his dedicated team for holding a successful conference under the chairmanship of our Past President Dr. D.P. Bakshi.

IOAICL 2008 : Dr. Sudhir Kapoor, Treasurer of IOA is organizing the IOAICL 2008 at New Delhi on 4th, 5th and 6th April 2008. The topic is "Paediatric and Geriatric Fractures". I request the members to attend in large numbers and make the event successful. They would like to have the conference in the last week of December.

IOACON 2009 : The Orissa Orthopaedic Association has started the work for IOACON 2009 and It will be discussed during Summer Executive Meeting.

IOA Foreign Fellowship : In the last general body, IOA decided to have one Junior and one senior fellowship with IOSUK. The junior fellowship is in the month of June 2008 and the selected member will stay for 2 weeks along with IOS fellows in UK after attending the summer meeting of IOS UK. There is very little time to select candidates for the junior fellowship and those who are desirous of applying should send their applications on or before 4th April 2008 to Dr. Shishir Rastogi. Kindly download application forms from IOA website. Similarly, this year we have have to select one member to attend IOA - Dr. R.L. Mittal - SICOT Fellowship and the last day for submission of application is 4th April 2008.

Inland Fellowships : Number of Inland fellowships are advertised in this newsletter and members can submit their application to Dr. P.V. Jayasankar, Chairman, Inland Fellowship Committee. Details of the fellowships are available in the IOA website and application forms can be downloaded from that.

Members Directory : There has been dismal response from members regarding this and we need to compile members' directory this year. Please kindly fill in the membership directory form and send it to the IOA house without fail, even if your address is correct.

JBJS (British Edition) : IOA has liased with Editor of JBJS (Br) and they have come forward to provide JBJS(Br) at subsidized rates to our honourable members. In this regard the editorial board of JBJS would discount 40% (forty percent) on yearly subscription to all IOA members and IOA would add another 10% subsidy. Hence IOA members would receive JBJS (Br) edition at half the rate of subscription. We need atleast 1000 copies to be procured from JBJS. Hence I want the members who are desirous of getting JBJS(Br) volume at subsidized rate to fill in the form given in the back pages and sent to IOA house immediately. This will allow us to make a concrete decision in this regard.

Constitutional Amendments : We failed to amend our constitution due to lack of quorum during IOACON 2007 at Kolkatta. The constitutional amendments will be put up in website and the second newsletter of IOA in the month of June. Members are requested to go through the amendments and give suggestions to your sincerely.

It is decided that along with ballot paper members will receive letter of acceptance of constitutional amendment which can be returned to IOA house alongwith ballot paper so that constitutional amendment can be passed.

We have whole lot of newthings to be discussed during summer executive meeting and I shall write to you after that. Till such time Bye Bye. Jai Hind & Jai IOA.

Yours sincerely,

Dr. R.H. Govardhan
Hon. secretary

REPORT OF THE HONORARY SECRETARY

I have pleasant duty of presenting the annual report of the association.

Membership: There is a steady growth of members during the past years. The total no of membership stands to more than 7000 and this year alone 299 new members have applied for the membership

Academic activities: This year we had two important academic activities. One was relating to post-graduate curriculum which was conducted during the last week of April 2007 at Delhi. We had invited heads of various medicals to participate and we had 30 of them participating. Our past presidents Dr PS Maini, Dr SM Tuli and Dr SS yadav attended the meeting and gave good suggestions. The fruitful discussions are compiled and will be presented as a white paper during the IOACON 2007 at Kolkatta . The second activity was related to Training Program on teaching methodologies for faculty in departments of orthopaedics in Medical colleges in India. This was conducted at Pune on 23rd to 25th November 2007 with Dr Vilas Jog coordinating it. Around 20 participants were there.

Padma Awards: This year four of the senior members have been awarded Padma awards and they will be felicitated during the inaugural function. We are also going to felicitate 6 of our members with honorary fellowship.

IOACON 2006: You all aware of the huge success of this conference and for the donation given by the organizing committee of IOACON 2006 . We are thankful to Dr Surya Bhan and the entire team for their efforts. Dr Surya Bhan has requested to allocate Rs ten lakhs for the development of infrastructure for IJO office.

Donation: The Rajasthan Orthopaedic association has contributed Rs 54,000 towards building fund and I profoundly thank ROSA for the same

APOACON 2012: With the Herculean effort from our President with committed members of the association we have been successful in getting an opportunity to organize the Triennial meeting of the APOA in 2012 at New Delhi. I congratulate our President for his effort and also for being elevated as the President of APOA 2010 -2012.

IOA Activity for the Physically challenged: Lot of our members are doing good work for the polio victims. This year it has been decided to felicitate Dr M M Bapna of Rajasthan and Dr Atul Shrivastava of Agra, Dr Sanjay Keshkar of kolkatta and Dr Ashok Vij during the inaugural function.

New Activities of the Association:

(a) Dr Ashok Johari has come forward to start a paediatric fellowship this year and donated 2 lakhs to the association

(b) Dr M S Ghosh has come forward to donate 2 lakhs of rupees towards a conference oration during the oncology session in the name of Saibal shekar Ghosh and it will be named as Saibal Shekar Ghosh Memorial Oration of IOA. From this year this oration will start

(c) Dr Sandeep Patwardhan and family members of late Dr Joy Patankar have come forward to donate 2 lakhs rupees to institute a medal for the best paper in the paediatric section of IOACON. The medal will be called Dr. Joy Patankar Memorial Gold Medal for Best Paper in Paediatric Orthopaedic Session of IOACON

(d) Dr M L Gupta of Delhi has come forward to donate 2 lakhs to the association for instituting two fellowship for our members from remote corners of the country to attend the IOACON. The interest accrued will be used for the traveling expenses

Affiliation of Chapters: Most of the chapters have been affiliated to our association and Orissa has been affiliated to the association.

Dr B N Sinha Memorial Meritorius Award presented to to Dr.W.G.Rama Rao on the 5th of December 2007 for his meritorious services in the field of Orthopaedics and Rehabilitation.

Dr B Mukhopadhyay Memorial Life Time Achievement Award presented to Professor HARDAS SINGH SANDHU on this day 5th December 2007 for his selfless and distinguished contribution to Indian Orthopaedics.

3. Padma Award Winners.

Prof Balu Shankaran, Prof P S Maini, Prof Mayil V Natarajan & Dr Sheo Tibrewal were felicitated for having been conferred with Padma Vibhushan, Padma Bhushan & Padma Shree awards respectively.

Following senior members were honoured with Honorary Fellows of I.O.A

Dr K V Chaubal, Mumbai

Dr P M Desai of Ahmedabad

Dr U S Mishra of Lucknow

Dr S Soundarapandian of Chennai

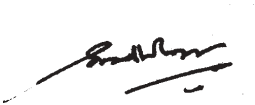

Dr B Das of Bhopal

Dr H K Deb of Kolkatta.

Authors of Books.

Indian Text Book of Orthopaedics and books written by Dr Sudhir Kapoor, Dr S K Datta, Dr JohnEbenezer, & Dr R A Agarwal were released during the inaugural function.

I thank you for your kind attention

Dr R H Govardhan
Hony. Secretary, IOA.

Minutes of the executive committee meeting held at Science City , Kolkatta on 5.12.07

Following members attended the meeting:

Mandal, Dr. Sherry Isaac, Dr. T. N. Sen, Dr. S.M. Tabi, Dr. JDP Sinha, Dr. R.C. Siwach, Dr. P.V. Vijayaraghavan, Dr. Sanjay Jain, Dr. Sudhir Kumar, Dr. Ashok N Johari, Dr. P.B. John, Dr. John Alookaran, Dr. Rajiv Naik, Dr. Vilas Jog, Dr. D.B. Shirshanth, Dr. M.M. Bapna, Dr. M. Shantharam Shetty, Dr. Ashok Viz, Dr. Sanjay Chaturvedi, Dr. S.S. Yadav, Dr. J.B. Panse, Dr. R.K. Goyal, Dr. Sameer Agarwal, Dr. K.K. Pruthi, Dr. S. Rastogi, Dr. K.K. Jha, Dr. V.S. Singh, Dr. H.N. Sinha, Dr. Anil Arora, Dr. Balakrishnan Ilango, Dr. C.S. Yadav, Dr. N.K. Bhatta, Dr. Nalli R Uvaraj, Dr. R. Sen, Dr. Aneen. N, Dr. K.S. Maheswari & Dr. Satish Goyal.

Hon Secretary Dr Govardhan requested the President Dr HKT Raza to preside over the meeting.

Dr Raza called the meeting to order and welcomed all the members to the meeting.

1. OBITUARIES :

KT Surendran

Dinu Bhai A Patel

Drupal Sisodia

SK Ohri

Durga Prasad

Lt Col SK Gupta

Dr Shantharam Shetty, Dr P Golwala, Dr D K Taneja, Dr V Reddy and Dr Ved Prakaash spoke about the members who passed away.

Members stood in silence for 1 min and secretary was asked to send the condolence message from the association to the family members of the departed souls.

Dr Shantharam Shetty at this juncture emphasized the need for deleting the names of the members who have passed away and it was decided that the names of all such members will be deleted from the list. Dr SC Goel pointed out that from 2700 members who have voted we can get their updated addresses. Dr Govardhan said that members addresses from IOACON 2006 and 2007 registrations would also help to update the addresses. It was resolved that members directory will be released this year and members who have not sent their responses would be published with their old addresses.

2. ANNUAL REPORT:

Secretary presented the annual report.(printed in the newsletter)

It was decided to allocate interest accrued from the Rs ten lakhs contribution of IOACON 2006 to develop the office of the IJO as per the request of organizing committee of IOACON 2006.

Dr M S Ghosh has contributed two lakh rupees to institute an oration . The Saibal Shekhar Ghosh Memorial oration would start from IOACON 2007 at Kolkata. This will be presented during one of the main sessions of the IOACON.

3. TREASURER'S REPORT:

Treasurer's report (printed in October-November 2007 Newsletter) was read by Hon.Secretary as Treasurer had expressed his inability to attend the General Body meeting due to personal work. Dr SS Yadav suggested that there should be public awareness programs. Dr Raza suggested to receive the work done by Dr. Yadav in the rural area and publish it in newsletter. This was accepted.

Dr Tuli suggested to have golden jubilee commemoration oration and it was accepted. The members over 45

years can only apply for this and it was decided that silver jubilee commemoration lecture shall be for members who are less than 45 years on 31 December of the year of the conference. The details of this will be finalized by the Executive Committee in its meeting on April 2008.

4. CONSTITUTIONAL AMENDMENTS:

The constitutional amendments were taken for consideration.(published in the newsletter)
The executive committee was not in favour of nominated editor but ready to accept 3 Assistant Editors to be suggested by Editor and Ratified by EC, their term would end with the Editor. Editor and editorial board should be elected. Most of the constitutional amendments brought were accepted with minor alterations.

5. REPORT OF IOACON 2006:

Dr Shishir Rastogi presented the IOACON 2006 report and the executive committee placed on the record the contribution made to the association. Dr Shishir Rastogi said he is going to give Rs 5 lakhs towards the benevolent fund of IOA. With this contribution the total contribution to IOA from IOACON 2006 was 73 lakhs. The executive committee applauded their effort.

6. REPORT OF FOREIGN FELLOWSHIP:

Dr Shantharam Shetty presented the foreign fellowship report (published in the newsletter) and requested that the IOA Mittal fellowship should be advertised in the newsletter so that one member can be selected to attend the SICOT meeting. He thanked the IOA for providing opportunity to serve the association for 6 years.

7. REPORT OF INLAND FELLOWSHIP:

Dr Ashok Johari presented the list of the recipient of various inland fellowships and clarified the status of the visiting professorship. He also thanked the executive committee and IOA for the opportunity provided to him.

8. REPORT OF CENTRE STATE RELATIONS COMMITTEE:

Dr Panse reported that for the AK Gupta trophy he had received four applications from Maharashtra, Kerala, West Bengal and Madhya Pradesh. West Bengal and MP have secured exactly same marks. Dr Raza said that MP has secured at least 10 points from his personal capacity as president and his personal activities and requested that trophy should be given to WB. He also wanted that MP chapter's efforts must be lauded.

9. REPORT OF IMPLANT COMMITTEE:

Dr Sudhir Kumar presented the implant committee report and informed the house that he has organized a symposium on "Orthopaedic implant regulations- its need and implications" in the present IOACON 2007. He requested the proforma for implant failure should be published again for members response.

10. REPORT OF BUILDING COMMITTEE:

Dr Mandal informed that lift would be installed in IOA house and ten lakhs sanctioned enough for the same.

11. REPORT OF BENEVOLENT FUND COMMITTEE:

Dr R K Goyal informed that so far nobody has applied for IOA benevolent fund and it should be advertised.

12. REPORT OF U.G/P.G TEACHING COMMITTEE:

Dr Vilas Jog informed that PG curriculum program and faculty training program were conducted during this year. For the teacher's training program 20 people attended and requested IOA to sanction Rs 1,34,870 towards the expenditure for the meeting conducted at Pune. He was asked to submit the entire account to Treasurer for scrutiny. It was resolved to sanction the amount. It was also resolved that one lakh rupees will be provided for such future trainers training program for 30 teachers which will last for two and half days. It was also resolved that Dr Goel and Dr Govardhan will look into the matter of developing psychomotor skill lab in various parts of the country.

13. REPORT OF TRAUMA COMMITTEE:

Dr Puruthi and Dr John presented their reports (published in the newsletter). Registry of ortho surgeon of Indian origin working abroad is needed to have exchange program.

14. REPORT OF BASIC SCIENCES COMMITTEE:

Dr Anil Arora suggested that he being the basic science chairman should be involved in basic sciences subspeciality section of IOACON.

15. REPORT OF PROFESSIONAL INDEMNITY COMMITTEE:

Dr AN Verma was not available to present the report.

16. REPORT OF IT COMMITTEE:

Dr Sanjay Chaturvedi informed that there were 8 lakhs hits during this year.(report published). Editor of the website is the Hon Secretary.

17. REPORT OF IOAICL2008 NEW DELHI:

Dr Sudhir Kapoor presented the preparations done for the IOAICL 2008 at New Delhi and invited members to attend the meeting in large numbers. Dr Govardhan informed that only Pune orthopaedic society has applied for IOAICL 2009 and it was accepted. During the IOAICL at Delhi, the summer executive meeting will be held.

18. REPORT OF PROFESSIONAL CHARGES COMMITTEE:

Dr Jethwa was not present his report.

19. REPORT OF MEMBERS DRIVE COMMITTEE:

Since the term of most of the members of Membership drive have finished their term, it was decided to dissolve the committee.

20. REPORT OF NATIONAL P.G. QUIZ:

Dr Nalli Uvaraj presented the arrangements made for this year's PG Quiz at Kolkata.

UP Chapter has requested to conduct PG Quiz for the years 2008 and 2009 and Dr Vineet Sharma will be in charge for that. The term for conduction of PG quiz by the state chapter has been reduced to 2 years.

21. REPORT OF SUB-SPECIALITY COMMITTEE:

Dr Siwach that 6 members have been benefited by the superspeciality program. IOA will not issue certificates for the above training. The centre where a member gets the training can provide a certificate. IOA is only a facilitator in this regard.

22. REPORT OF OSTEOPOROSIS COMMITTEE:

Dr S M Lakhota presented the report of osteoporosis committee and requested that he be provided with Rs 25,000/= which he has not availed though sanctioned by the ec. The request was accepted.

23. REPORT OF RURAL ORTHOPAEDICS COMMITTEE:

Dr H N Sinha requested for guidelines to start rural orthopaedics.

24. REPORT OF ONCOLOGY SECTION:

Dr Ajay Puri could not attend the meeting but his report was read by the Secretary. Dr Ajay Puri has submitted his resignation from the chairmanship of oncology section which was accepted.

25. REPORT OF HAND SECTION:

Though Hand Section report was handed over to secretary the chairpersons did not present it.

26. REPORT OF OVERSEAS CO-ORDINATOR:

The overseas co-ordinator Dr B Ilango presented the objectives of IOS UK and informed the house that there will be second "Indian Summer " during BOA meeting in 2009 and IOS UK invites 3 junior and 3 senior fellowships the details of which can be obtained from the IOS UK website.

Dr Raza informed the house that the President has to attend the AAOS meeting, IOS UK meeting and to travel to Australia to attend the annual meeting of the Australian Orthopaedic association. Hence the honorarium given to President should be raised from one lakh to 2 lakhs which was passed.

27. I.O.A AWARDS:

Dr Satyanand has been nominated for Dr B N Sinha meritorious award and Dr K V Chaubal has been nominated for Dr B Mukhopadhyaya award for the year 2008 . The amount for the B N Sinha meritorious award has been enhanced to RS 25,000 from Rs. 15,000/= along with a silver plaque.

Dr Raza said that he is contemplating legal action against MCI for recognition of Orthopaedics for separate evaluation in UG curriculum. He was adviced by Dr Yadav not pursue the legal route but to have dialogue with MCI.

35. ANY OTHER MATTER - NIL

The meeting ended with a vote of thanks from Secretary to the chair.

Dr R H Govardhan
Hony. Secretary, IOA.

Minutes of the General Body Meeting on 7th December 2007 at Science City, Kolkata from 5.00 pm onwards.

The Extra Ordinary General Body convened to amend the constitution was cancelled due to lack of quorum. However some proposals for Constitutional amendments were discussed by the members. (To be published in June-July issue of Newsletter).

Hon. Secretary requested Dr Raza to chair the meeting and he started the meeting with an welcome note.

1. OBITUARIES:

Dr Shantharam Shetty informed about the demise of Dr KT Surendra of Shimoga
Dr P Golwala read about the obituary of Dr Dhinu Bhai A Patel and Drupal Sisodia
Dr D K Taneja read about Dr S K Ohri
Dr Reddy of AP informed about the demise of Dr Durga Prasad
Dr Ved Prakash for Lt Col S K Gupta

Members stood in silence for one minute to pray for the departed souls.

2. MINUTES OF PREVIOUS GENERAL BODY AND EXECUTIVE COMMITTEE:

Minutes of the General Body Meeting held on 11th Nov 2006, EC meeting held on 12th Nov 2006 and EC meeting on 29.4.07 and 5-12-07 were passed by the General Body.

3. HON. SECRETARY'S REPORT:

Passed.

4. HON. TREASURER'S REPORT :

Presented by Hon. Secretary in absence of Hon. Treasurer: Passed.

There were queries regarding the money accumulated by the contributions of IOACONS and the expenditures on the building of IOA. The suggestion of increase of J&J fellowship money by another Rs50,000 was passed. Dr Laud expressed his willingness to talk to J&J company to increase the contribution. The suggestion of change of name to IOA fellowship was not accepted since this prestigious fellowship has been existing from 1961.

Dr Taneja suggested that apex airfare must be given to E.C members to attend the summer meeting which was passed.

5. EDITOR'S REPORT:

General Body appreciated the effort of Dr Anil Jain . At this juncture some members pointed out that they are not receiving the journal and Dr Maitra pointed out that lot of the members addresses are not correct.

6. REPORTS OF SUB-COMMITTEES:

Presented by Hon. Secretary.

All subcommittee reports were passed.

Dr Neeraj Sharma pointed about the ortho curriculum in UG examination. Dr Raza proposed to take legal action. Dr. P.S. Maini felt we should not take recourse to this which was accepted by the house . Dr Taneja suggested that members who have access to MCI should take the lead. President suggested that Dr Reddy, Dr A.N. Verma who are members of MCI can influence the MCI in this regard. Dr Maini agreed to speak to MCI if association comes with proper proposals. Dr Shivaji suggested revision of the curriculum. President informed the house that during his visit to UK he had fruitful meeting with the President, Secretary of IOSUK along with Dr. Ilango. It was agreed that IOSUK will accommodate two fellows from IOA one

junior whose age is less than 45 and One senior whose age is >45. IOA will provide Rs 50,000 each for the fellows and IOSUK will take care of their local hospitality. The fellowship will be for a period of 2 weeks and they will have their fellowship along with the fellows selected by IOSUK.

Dr. Raza also informed of his meeting with President of Australian Orthopaedic Association Mr. John North.

The Australian Orthopaedic association has proposed to send two of its members for an exchange fellowships to spend a month in one of the centres in India and it has agreed to provide two such fellowships for the members of IOA to spend a month in one of the centres in Australia. The respective association will provide the local hospitality. IOA will provide Rs 50,000 each for the two fellows.

Both fellowships were passed by the General Body.

7. I.O.A. DIRECTORY:

It was unanimously decided to publish the IOA Directory of the members which will be in CD format as well as in print version.

8. PRESIDENT'S THEME FOR THE YEAR 2008:

Dr SC Goel informed the house that the President's theme for the year 2008 is "Save bone prevent osteoporosis". It was proposed that on 19th October there will be Nationwide program for osteoporosis.

President elect has been invited by IOSUK & AOA to attend their annual meeting. He has to attend American Academy too. Hence it was proposed to increase the honorarium for the President from one lakh to 2 lakhs. General Body agreed.

9. REPORT OF IOACON 2008 BANGALORE:

Dr Rajeev Naik presented the report for IOACON 2008 at Bangalore. He informed the house that the conference will be held from 3rd to 8th December. And it will be held at Bangalore International Exhibition centre which is in Tumkur Road. He requested that registration for the conference will be done on CME day itself. Members suggested packed lunches during CME day and there was discussion regarding lunch for the spouses and children. Dr Goel suggested to have food courts for them at cheaper rates at the venue itself. Dr Lakhota suggested to have food stalls. It was put to vote and members were in favour of continuing the existing system.

10. REPORT OF IOACON 2006 NEW DELHI:

Report of IOACON 2006 was presented by Dr Shishir Rastogi and was passed.

It was proposed to send a letter of appreciation to Science City authorities for their good work. Dr Laud suggested that WBOA should be congratulated for their good effort and General Body applauded the entire teams effort.

11. BEST CHAPTER AWARD:

President presented the AKGupta Trophy for the best chapter to WBOA. He informed the house that MP chapter though secured the same amount of marks it was partly due to his presence as President and President elect of APOA. He pointed out that WB was presented the best chapter award for its collective performance.

12. APPOINTMENT OF EXECUTIVE OFFICER:

Mr Ramesh Pandey was promoted as Executive officer and he will have proper PF, Conveyance and Housing Allowance and other allowances permissible. It was passed.

New members who have applied for membership were passed and as on date we have 7300 members.

13. IOA ELECTIONS 2007:

Dr Goel informed the house that he received total of 2702 ballots and informed that Dr Ashok Johari and Dr VP Sharma were elected as Vice Presidents and Prof Shantharam Shetty was elected as President elect.

14. IOAICL 2008:

Secretary Dr Govardhan read the report prepared by Dr Sudhir Kapoor. The theme of the IOAICL is "difficult fractures in geriatric and paediatric age group". It will be conducted at Lady Hardinge Medical College from 4th to 6th of April 2008. There will be cadaveric workshop for # fixation as well as workshop for CTEV.

15. IOAICL 2009:

Secretary informed the house that one bid has been received for IOAICL 2009 from Pune and it was passed.

16. BIDS FOR IOACON 2009:

Secretary Dr Govardhan informed the house that two bids were received one from Orissa Orthopaedic association and one from Rajasthan Orthopaedic association and both are in order. House heard the report from the respective associations and voted for Orissa. Conference will be held at Bhuvaneshwar.

Dr Ravindra Kumar of Gaya was nominated from IOA as member of BJD NAN for Rural Orthopaedics.

House appreciated the contribution of Dr H.K.T Raza for the past 8 years as Secretary and then President and his sincere efforts to streamline the overall functioning of the Association and its phenomenal growth during his tenure. and it was decided to put into record.

Meeting concluded with thanks giving from Secretary.

Dr R H Govardhan
Hony. Secretary, IOA.

Minutes of the Executive Committee Meeting Held on 8.12.07

Following members attended the meeting.

Dr. S.C. Goel, Dr. R.H. Govardhan, Dr. HKT Raza, Dr. Anil Jain, Dr. Shantharam Shetty, Dr. K.S. Maheswari, Dr. Sudhir Kumar, Dr. Satish Goyal, Dr. S.M. Lakhota, Dr. Alok Ramachandran, Dr. Tapan Chakraborty, Dr. R.K. Goyal, Dr. Rajeev Nair, Dr. C.S. Yadav, Dr. Anil K. Randhawa & Dr. B. Pasupathy.

Honorary secretary Dr. Govardhan requested President S.C. Goel to chair the meeting.

President welcomed all the members and started the meeting. He appreciated and acknowledged the work done by immediate past president Prof. H.K.T. Raza for the past 11 years. As secretary, President elect and President. He also thanked and appreciated the work done by the following outgoing chairpersons of various committees namely Prof. Shantharam Shetty (Foreign fellowship), Dr. Ashok Johari (Inland fellowship), Dr. J.B. Panse (centrelectate relationship committee) all members of membership drive committee - Dr. N.K. Dey, Dr. Sathish Goyal, Dr. P.V. Jayasankar, Dr. Mandeep S. Dhillon and Dr. Ajit Saigal, Dr. Ajay Puri (Oncology) and members of various state representatives.

It was resolved to send appreciation letters to all outgoing chairpersons and members.

Winner trophy for the National Quiz Competition was given to Rajasthan Orthopaedic association. They were advised to return the rotating trophy at the end of the year.

It was resolved to circulate to all the members about the constitutional amendments in the second newsletter and concurrence of the members to be obtained while sending the ballot papers. The constitutional amendments will also be put up in the website and members can give their suggestions.

Following members were appointed as chairpersons

- 1) Foreign fellowship - Dr. Shishir Rastogi
- 2) Inland fellowship - Dr. P.V. Jayashankar
- 3) Centre state relationship committee - Dr. Ajitsaigal
- 4) Building committee - Dr. S.V. Mandal
- 5) Benevolent fund IOA - Dr. R.K. Goyal
- 6) IOAICL Chairman - Dr. T.K. Maitra
- 7) Oncology section - Dr. R. Bhargava
- 8) Orthopaedic data analysis Committee - Dr. K.V. Maheswari
- 9) Executive Committee members appointed as state representatives.

Andhrapradesh - Dr. Y.P.C. Rao

Chandigarh, H.P. & J.K. - Dr. M.S. Dhillon

Gujarat - Dr. Ashith Mehta

Punjab - Dr. N.K. Agarwal

BJD Nan representative of IOA - Dr. R. Kumar

Presidential theme - “ **SAVE BONES - PREVENT OSTEOPOROSIS**”

President wanted 19th October to be year marked for the celebration for osteoporosis. He wanted public awareness camps to be conducted through state chapters and city clubs. Dr. Lakhota and Dr. Maheswari were requested to compile and send public awareness programme in a C.D. format. After the approval of the president, the C.Ds will be circulated through state chapters. Dr. Lakholia informed that he hasn't availed Rs. 25,000 allocated for osteoporosis committee last year which he will avail this year.

White papers for year 2008 - Dr. Ramchadda of Mumbai and Dr. Inderjit Sardar of Kolkatta were asked to present a white paper on degenerative disc disease and proximal humeral fractures respectively. They were given 6 months time for submitting their white paper for peer review. A preliminary report to be submitted during the executive committee meeting in April.

For Peer review of the white papers it was resolved to request. Dr. H.K.T. Raza and A.K. Jain to give a list of members to be included for peer review.

There were no. of suggestions for the next IOACON at Bangalore. Dr. Maheswari suggested that the spouses should be looked after separately and they should not be in the scientific halls. The speakers should adhere to the time limits. Dr. Chakaraworthy brought out the behaviour of the members during the banquet dinner. He suggested there should be self regulation by the members and webcam provision to watch the earring members. He also informed that No. of chair persons appointed to conduct the scientific

section were found absconding which put the organising committee into trouble. Dr. Inderjit Sardar was requested to send the list of members who failed to chair their sessions to secretary.

The summer executive committee will be conducted on 6th April 2008. The centre state relationship meeting will be in the afternoon of 5th April 2008. In the evening there will be program committee meeting of IOACON 2008.

The Meeting ended with the vote of thanks by Dr. Govardhan

Dr R H Govardhan
Hony. Secretary, IOA.

Minutes of the meeting of the Office bearers of Indian Orthopaedic Association and the Editorial Committee members of Journal of Bone & Joint Surgery (British) held at Science City, Kolkata, India from 4.00 pm onwards on 4-12-07.

The following attended the meeting:

1. Mr. James Scott, Editor JBJS(Br)
2. Mr. Frank Horan, Emeritus Editor
3. Mr. John Getty, Immediate Past President, British Orthopaedic Association(Special Invitee)
4. Prof. H.K.T. Raza, President, Indian Orthopaedic Association
5. Prof. R.H. Govardhan, Hon.Secretary, Indian Orthopaedic Association
6. Prof. Anil Jain, Editor, Indian Journal of Orthopaedics.

The meeting was chaired by Prof. H.K.T. Raza.

1. Prof. Raza welcomed all the participants and said that this was a historic moment to start a fruitful collaboration between the J.B.J.S (Br) and the Indian Orthopaedic Association.
2. All participants agreed that there was immense scope for such a collaboration which would eventually lead to the printing of Indian Editor of the J.B.J.S(Br) in India.
3. The following decisions were taken:
 - a) The J.B.J.S(Br) would provide for the J.B.J.S(Br) to be put up on I.O.A website for six months for I.O.A members free of cost. This would be an incentive to develop interest in and subscribership of the JBJS(Br) volume).
 - b) Details of printing of the full text of all the J.B.J.S(Br.volume) issues in India are to be worked out by Prof Anil Jain. Mr. Scott and Mr. Horan praised the quality of the recent issues of Indian Journal of Orthopaedics and would be satisfied if these standards were maintained for the Indian edition of J.B.J.S(Br.).
 - c) There was unanimity that advertisements in the British issues would be of no importance to Indian readers. The I.O.A/Editorial Board of I.J.O Or Indian Edition of J.B.J.S could solicit advertisements directly for the Indian edition. Details of the tariffs for the same as well as how this fund would be utilized needs to be finalized (sharing them between J.B.J.S(Br) & I.O.A, use for funding for copyright to the Editorial Board of J.B.J.S(Br), etc.).
 - d) The Editorial Board of the J.B.J.S has to decide and inform the I.O.A office bearers regarding the copyright charges, if any, to be paid on an annual basis by the I.O.A/Editorial Board of Indian Edition.
 - e) It was unanimously agreed that initially a subscribership of 1000 copies could be used for calculation of printing costs and subscription fees etc.
 - f) Prof. Anil Jain, Editor of the Indian Journal of Orthopaedics would be the liaison person between J.B.J.S(Br.). Editorial Board and the I.O.A office bearers Prof. Raza will act as the facilitator for future dialogues.
 - g) Prof. Raza and Prof. R.H. Govardhan thanked all participants with the hope that a short term road map will be developed in the next six months by e-mail contact between the participants, as well as the next incumbent President of I.O.A Prof. S.C. Goel.

H.K.T. RAZA
Immediate Past President I.O.A
President-Elect, APOA

Dr R H Govardhan
Hony. Secretary, IOA.

1. AUDITED ACCOUNT FROM 1.4.2006 TO 31.3.2007

BALANCE SHEET AS AT 31ST MARCH, 2007

Implant Committee Report-2007

The quality of orthopaedic implant have always been prime concern of the association. In this respect definite notification have been brought out by the Drug Controller of Govt. of India(DCGI). This notification have been circulated earlier in our newsletter which may again be circulated for the information of the members. The regulation of Medical Devices in India- Current status available on internet [www: cdsco.nic.in](http://www.cdsc.nic.in).

Regulations:

- Imported Devices: importers require to have an Import License in order to legally continue to import orthopaedic implants.
- License in order to legally continue manufacturing activity of orthopaedic implants.
- Sales of these Devices: Distributors, Dealers and Agents who sell orthopaedic implants are required to legally only sell those orthopaedic implants that either possess an Import license or a Manufacturing license. In addition, such dealers, distributors or agents require to possess a valid Retail Sales License.

We have been making repeated appeals to the manufacturers that every implant should bear the insignia of the respective manufacturer so that authenticity of the implant can be ascertained.

We have organized a symposium titled "Orthopaedic implant regulations- its need and implications" in the present IOACON 2007. The guest faculty have been invited from Drug Controller of India, Bureau of Indian Standards and the Orthopaedic industry.. This is to promote a dialogue between regulator, manufacturer and user. The report of this symposium will be submitted later.

The agenda for the forthcoming year is:

- 1) To examine the list of available Indian standards of orthopaedic implants and to modify / delete the obsolete ones.
- 2) Indian standards to be harmonised with ISO standards.
- 3) To start a registry of failed implants.(The performa is attached).

Thank you,

Yours sincerely,

Prof. Sudhir Kumar
Chairman, Implant Committee, IOA

Registry of Implant Failure

Objective: A fundamental objective is to understand successful implant and assess failure through retrieval analysis.

Implant Failure: The definition in present scenario has been widened -'the implant has not served its purpose for which it was implanted what so ever be the reason'.

PROFORMA

Patient / Implant Identification:-

Material obtained:-

1. Metallic
2. Other material (Plastics, tibial trays etc.)
3. Excised tissue (if any)

Legal requirement:-

1. There should be documentary evidence that there is permission to retrieve and analyze the implant and excised tissue.
2. The retrieved implant is now no longer owned by the patient/ his descendants.
3. Undertaking that results of analysis will be used for research purpose only and identity of patient will not be disclosed.

1. At the time of implantation:-

I. Patient demographics-

- a. Nationality
- b. Region
- c. Religion (some Christian sects strenuously oppose any mutilation of body)
- d. Age
- e. Sex
- f. Weight

II. Primary diagnosis:-

- a. Parts of body
 - Upper limb
 - Lower limb
 - Axial
- b. Indication for implantation such as fracture, corrective surgery, replacement etc.

III. Comorbidities

- DM
- Thyroid profile
- Osteoporosis
- Rheumatoid arthritis
- Ankylosing spondylitis
- Other fractures (polytrauma)

IV. Patient derived functional status (if appropriate)

- a. fully functional
- b. functional with support
- c. Bed ridden

V. Surgery details (from reports, if available)

- a. Date of surgery
- b. Location
- c. Surgeon
- d. Implant data (from patient records)
 - Metal type / HPE
 - Specifications
 - Manufacturer
- e. Cement used or not
- f. Implant — Load sharing / load shielding
- g. Function of surgery :
 - Osteosynthesis
 - Bridge Plate
 - Replacement etc.
- h. Whether fracture was open? If so, grade.
- i. Bone stock (osteoporosis, bone loss, comminution)
 - a. adequate
 - b. inadequate
- j. Stabilization (fracture)
 - a. adequate
 - b. inadequate
- k. Whether any type of graft used
 - a. auto

- b. allo
- c. bone substitutes
- I. Post operative protocol

2. Following Implantation:-

I. Clinical status

- When was weight bearing initiated?
- Was any brace advocated and was patient complaint with its use ?
- Stiff joints in vicinity.
- Any history of implant overload?
- Any history of repeat trauma.
- Did fracture unite? And when?
- Any history of repeat surgery (e.g. bone grafting)

II. Serial Radiographs (if available)

III. Any other significant events ? Infection

3. At the time of explantation.

I. Patient demographics at time of explantation.

- Age
- Weight
- Function –Mobile
 With support
 Bed ridden

II. Explantation surgery details.

Date

Location

Surgeon

Surgery : Implant Loose, retrieval easy, dense bone formation, loss of screw head etc.

III. Total in situ implant duration.

IV. Clinical functional and imaging data acquired before explantation.

V. Circumstances of explantation.

- optional removal (asymptomatic)
- symptomatic-
 - pain
 - bursal prominence
 - implant breakage
 - non- union
 - delayed union
 - Infection
 - Cut through
 - Revision surgery
- Postmortem

VI. How was tissue device interface?

a.condition of tissue associated with implant

- edematous
- indurated
- macroscopic contamination
- Black residues, products of corrosion
- Any Biofilm observed

b.In case infection is observed,

 Results of culture & sensitivity

 Histopathology details

c.Preferably send a excised fibrous tissue strip overlying implants for.

- Histopathological (viable bone, necrotic bone, fibro cartilage, hyaline cartilage, vascular growth etc.)
- To see for microscopic evidence of corrosion and degradation reactions.
- Cellular response to the implant.
- Chemical analysis for the byproducts of degradation of the implant.

VII. Device specific information.

- 1.Type metallic/ Plastic/ polypropylene
- 2.Implant name- K nail, DHS etc.
- 3.Manufactures name (if indicated an implant)
- 4.Specification
 - Which metal
 - Length
 - Diameter
 - HA coated
- 5.Whether stamped?
- 6.Whether fractured in situ or during removal?
- 7.Site of fracture.
- 8.Any adhered bone (signifies integration with surrounding tissue / bone).
- 9.Any obvious signs of metal fatigue?
10. Cements used or not?

Analysis of retrieved implants may involve hazardous materials, operations & equipments. As a precautionary measure, removed implants should be sterilized or minimally disinfected by an appropriate mean that does not adversely affect the implant and the associated tissue that may be subject to subsequent analysis. The researcher should take all universal precautions while handling the retrieved implant and tissue.

Report of the Hand Sub-Specialty

In the last year, one CME was held at CMC Vellore which was attended by over 120 delegates. Prof. Hill Hastings and his team conducted operative demonstrations. Basic and advanced hand surgical procedures were discussed in the scientific sessions.

A second program was planned in October 07 with overseas faculty, but could not be held as there were problems with dates.

In the coming year, two programs have been planned. The first of which will be conducted in Mumbai / Goa in April 2008. since Hand Surgery does not attract sponsors, we would like to request the IOA to support the activity with a financial grant of Rs. 50000/- Any profits will be transferred to the IOA after audited accounts are submitted.

A planned approach is being made to cover different topics of common interest in forthcoming events.

Dr B.B. Joshi, Past President of the IOA, has been conferred an Honorary Fellowship of the British Society of Surgery of the Hand for his contribution to advancement of Hand Surgery. This was conveyed to us by Dr. Joseph Dias, President of the British Society for Surgery of the Hand last week.

We thank the IOA for continued support and encouragement.

Dr Sudhir Warriar

Dr. George Anderson

Convenors – Hand Subspecialty

REPORT OF ACADEMIC COMMITTEE OF IOA- 2007

The academic committee had discussions with many academicians and senior professors in the country during the last one year and the following two important programmes were finalized to be presented before the executive committee of IOA.

1. Granting accreditation points for conferences

The committee had several rounds of discussions on the basis of granting credit points for the delegates in various types of conferences and workshops. The conferences were categorized into international, national and regional conferences depending on the faculty and participants. All the conferences held in the country with more than half the faculty from abroad (minimum of six speakers from abroad) and at least 25% of the delegates from abroad were included in the category of international conferences. All the annual meetings of international societies were included in this group irrespective of the above criteria. The credit points will be allotted by the academic subcommittee of IOA for accreditation. The conference organizers have to apply for the accreditation well in advance with the required information. I request the permission of the executive committee to constitute a subcommittee. All the national and regional conferences organized will be graded and allotted points on applying for accreditation. Hands on workshops, live demonstrations and video demonstrations are also eligible for credit points.

2. Registry of Orthopaedic surgeons working abroad

Lot of Orthopaedic surgeons from our country are working abroad. It will be very beneficial for us to have a directory of these friends to encourage exchange of knowledge, to arrange exchange training programmes, to have mutually beneficial fellowship programmes and to help youngsters to get good placements. With this network of Indian Orthopaedic surgeons all over the world, we can think of having overseas chapters of IOA in future. The academic committee is planning to bring out a directory of Orthopaedic surgeons of Indian origin working abroad. The wholehearted co-operation of all our esteemed members is requested for this purpose. If the executive committee permits, all the members can be contacted through e-mail and letters to get the name and address of their orthopaedic friends and relatives working abroad. They may be requested to become members of IOA and to form local chapters.

I take this opportunity to thank the honorable president, Secretary and the esteemed executive committee members of IOA for the continued support and suggestions.

Prof.P.S.John

Chairman, Academic committee-IOA.

Report of Foreign fellowship committee – 2007

I am very happy to place before this August Body the report of foreign fellowship committee for the year 2007. For the year 2007 we had three foreign fellowships.

1) Zydus Cadilla fellowship.

Which entails the selected fellow to attend the British orthopaedic association annual meeting in U.K. Zydus Cadilla bears the to and fro airfares to a maximum of Rs. 50,000/-

I am happy that this fellowship has been intitulated by Zydus Cadilla. It was hitherto called IOA/Inor fellowship.

2) Depuy Johnson fellowship

Which entails the selected fellow to visits any arthroplasty centre abroad, the centre to be selected and arranged thy the fellow, Depuy Johnson c pay a sum of Rs. 50,000/-

3) Dartmouth Hitchcock fellowship

This fellowship has been sponsored by Dartmouth Hitchcock Medical Center, Lebanon, USA. The selected fellow will visit Dartmouth Hitchcock Medical Center for a period of 4-6 wks.

RL. Mittal Sicot fellowship

This will be available in 2008. The selected fellow will attend the SICOT world congress. The to and fro airfare is borne by IOA.

* For the year 2006 the following fellows were selected.

Depuy Johnson fellowship

Dr. Harpreet S. Gill of Ludhiana was selected.

Dr. Harpreet S. Gill has availed his fellowship in September. He was happy and has thanked the IOA for the knowledge he gained in this fellowship.

Darmouth Hitchcock fellowship

Dr. Roop singh of Rohtak was selected. He has completed his fellowship at Dartmouth Medical Centre and he reports that he was lucky to have been awaited this fellowship. He writes that it has enabled him to interact learn & update his Orthopaedic knowledge.

Zydus Cadilla fellowship

Dr. Naresh Shetty from Bangalore was the recipient of this fellowship.

He attended the BOA meeting in September and presented a scientific paper there. He had the occasion to meet the BOA president and he thanks the IOA and its members for making a dream come true.

Regarding the fellowship for the year 2007. I should mention here that there was an excellent response and as many as 72 applicants were there, perhaps the highest in the history of IOA.

* After thorough scrutiny, marks were given and the following are selected this year for fellowships.

Depuy Johnson fellowship

Dr. Anil Kumar Rai from Varanasi has been selected.

Dr. Rajeev Nayak from Bangalore is in the waiting list.

Dartmouth Hitchcock fellowship

Dr. Vijay Goni from Chandigarh has been selected.

Dr. Zile singh Kundu is in the waiting list.

Zydus Cadilla fellowship.

Dr. Athul Bhasker from Mumbai has been selected.

Dr. Ghan Shyam N Khare from Varanasi is put in the waiting list.

IOA Mittal fellowship

This fellowship will be announced in the coming IOA journal and Secretary's newsletter and selection will be made accordingly by the new committee.

I am thankful to our president, the president elect, and our secretary for their continued co.operation and support and I sincerely hope that more IOA members would apply for foreign fellowships.

It was a pleasure and honour to be the chairman for foreign fellowship and I thank each of the IOA presidents starting from Prof. Babulkar (2001) who installed me as the chairman for foreign fellowships.

From a meager 7 application in 2001 it has grown upto 72 and 2 new fellowships (Zydus Cadilla fellowship and Dartmouth fellowship) have been instituted during my tenure as the chairman.

Let us March forwards, firm in our faith, sustained in our confidence in IOA with will of God and the promise of IOA members to curry forward the traditions of IOA.

Thank you

Prof. Shantharam Shetty

Chairman, IOA Foreign fellowships

Applications for all Foreign Fellowships may kindly be sent to :

Prof. Shishir Rastogi

C- II / 13, AIIMS Campus,

Ansari Nagar, New Delhi - 110025.

E-mail : rastogiaiims@yahoo.com

REPORT OF THE INLAND FELLOWSHIP COMMITTEE 2007 - 2008

1. JOHNSON & JOHNSON / ROBERT ROAF TRAVELLING FELLOWSHIP

The selected candidates are as follows:

Teaching stream

1. Dr. Manish Chadha, New Delhi
2. Dr. A.K. Pal, Kolkata
3. Dr. A.Q. Khan, Aligarh

Non-teaching stream

4. Dr. Ashish Goyal, New Delhi

Waitlisted

1. Dr. Subhash Jangid, Jodhpur, (Teaching)

The fellows have started their travel from the venue of IOACON – Kolkata and will travel to Patna, Varanasi, Delhi, Ahmedabad, Mumbai and Chennai before returning to their respective places. All arrangements have been made at the different centres and the centre coordinators have been very enthusiastic about the visit of the fellows to their respective places. The fellows finish their fellowship travel on the 4th January 2008. I am thankful to Prof. Maitra and to all centre coordinators for making the necessary arrangements.

2. DR. S.S. BABHULKAR FELLOWSHIP

The **selected** candidate is: Dr. R.K. Das, Bilaspur

Waitlisted : Dr. Chethan Nagaraj, Bangalore

3. DR.G.S.KULKARNI FELLOWSHIP

The **selected** candidate is: Dr. R.K. Das, Bilaspur

Waitlisted: Dr. Mohan K.P., Bangalore

Dr. R.K. Das will have to select one fellowship of the ones he is selected for. The waitlisted candidate would automatically move on to the other fellowship. I have reminded Dr. Das for his final selection but have not as yet heard from him.

4. THE IOA – WOC – SICOT FELLOWSHIPS

The following are selected for the IOA – WOC- SICOT fellowship:

1. Dr. Dinesh Singh, Guna
2. Dr. R.K. Kanojia, Chandigarh
3. Dr. V.C. Sujith, Thrissur
4. Dr. Yogesh Salphale, Chandrapur
5. Dr. O.P. Lakhwani, Rewa
6. Dr. Anil Gupta, Karamsad
7. Dr. P.V. Thirumalai Murugan, Madurai
8. Dr. R.K. Das, Bilaspur
9. Dr. Raghu Kumar J., Davangere

Again, Dr. R.K. Das will have to decide between this and the other fellowships he has been selected for.

5. THE IOA- PANACEA-BIOTEC RESEARCH GRANT AWARD

Prof. P.S. John of Kottayam is selected for the same. His research project is “Can arthritis be reversed?”

6. THE IOA-INOR RESEARCH GRANT AWARD

Dr. Hemant Sharma of New Delhi has been selected for this award. His research project is on ‘Development of MIS Locking DHS with instrumentation for unstable intertrochanteric fracture’.

7. DR. ASHOKE SENGUPTA VISITING PROFESSORSHIP

It was felt that the solitary application of Dr. Lakhota on behalf of the West Bengal Orthopaedic Association is not a valid one. This is because the visiting professorship is for institutions and not for a state chapter. In the mean time, I did ask Dr. Lakhota for clarifications on the above and to send in a proper application with the name of the institution. However, I have not received the application from Dr. Lakhota in the prescribed format which was forwarded to him. Hence with the concurrence of the Inland Fellowship Committee, the professorship for this year will lapse. For the next year Prof. S.C. Goel has sent in an application stating that his centre is desirous of availing services of a visiting professor. His application has named me as the visiting faculty of choice. I have no hesitation in visiting his centre for a week and have made the necessary application. A decision may be taken on this.

8. NEW FELLOWSHIP

Rs. 2 lacs have been donated by my foundation towards establishing a paediatric fellowship. This has to be ratified at the General Body Meeting after which it can be advertised.

As I conclude this 6th year of being in charge of the Inland Fellowships, I wish to thank all who have helped me conduct the fellowships smoothly. I must mention Dr. Dasgupta of Kolkata from whom I took over and he was always very helpful. Dr. Taqi Raza and all earlier Presidents, Dr. Govardhan and all members of the successive Inland Fellowship Committees have been very helpful and it was a pleasure to enjoy their camaraderie. Thank you one and all.

Dr. Ashok N Johari

Chairman, IOA Inland fellowships

Applications for all Foreign Fellowships may kindly be sent to :

Last date for receiving application form - **31 st MAY 2008**

TRAUMA COMMITTEE REPORT

IOA trauma committee for last one year working for awareness amongst youth of India for which various programs were organized like rallies Students education etc. Agra orthopedic society with the help of local organizations like SHARE and NCC hold various programs on 17th October world trauma day.

On World trauma Day 17th Oct 2007 as was discussed in IOA executive and according to president's theme golden hour AOS decided to hold world trauma day with SHARE (Society for Help in Acute Road Emergencies) as Remembrance day.

SHARESOCIETY with the help of NCC, civil difence and school hold a rally from Agra college, Agra to Saheed Smarak with posters and banners in the hand. Pamphlets regarding road emergencies were distributed amongst the citizens of Agra.

The rally was flagged off by Dr. K.K.Pruthi, Chairman, Trauma Committee IOA and President Agra Orthopedic Society. The rally was managed by Dr. Sanjay Chaturvedi, Secretary SHARE. Many Orthopaedic Surgeon of repute took active part in the rally. In the end the rally was addressed by Dr. K.K.Pruthi, Head of Department Orthopedics, Major R. K.Singh and Mr. Sita Ram Meena, IAS commissioner Agra. The welcome address delivered by Dr. Ashok Vij, President SHARE. In the end one minute silence was observed to remember all those who suffered because of trauma. Rally was completed after giving thanks to all those participated in the rally and it was decided to pass all preventive messages to one and all.

In the evening an informal dinner with discussion on how to aware the public about trauma was organized at officers institute, Air force station, Kheria. Agra. The meeting was well attended by citizens of all segment of the society. Dr. K.K.Pruthi detailed the three tier trauma care plan. Dr. Prajapati, Principal Medical College Agra, presented his views about trauma care and assured his for co operation in society's program. Dr. Sudheer Kumar, Director Mental hospital talked about trauma syndrome. Dr. Sanjay Chaturvedi presented the work done till date by SHARE society in the trauma care.

From Last executive meeting we were trying to get approval of NHAI for NHAI IOA scheme but even after writing many letters to the NHAI official no progress was made. I would request the executive members residing in Delhi to pursue this at their level.

Thank You
Sincerely Yours

(K.K.Pruthi)
Chairman, Trauma Committee
IOA

Report of the Benevolent Fund Committee

This is to inform the Honorable Members of the Executive Committee of I.O.A. that the Account of the Benevolent Fund of I.O.A. is now fully functional. Few months back a fresh set of all the Rules and Regulations pertaining to the Benevolent Fund of I.O.A. were Couriered to all the present State Chapter Presidents and Secretaries for publication in State News Letter. The basic motive behind this action was to tell all the I.O.A. members the motive and the working pattern of the Benevolent Fund of I.O.A.

Besides this I have also received a couple of calls of the Members of I.O.A. from different parts of the Country regarding the facilities of the Fund. Basically they wanted the aid for the offshore fellowship / conference. I asked them to get back to me with a written proposal but I am still expecting one from their side.

Regards,
Prof. R.K.Goyal
Chairman Benevolent Fund I.O.A.

IJO REPORT

To,
The President
Indian Orthopaedic Association

Thank You very much indeed for giving me this opportunity to manage Indian Journal of Orthopaedics.

The brief report is as follows :-

1. We have successfully published 4 issues this year. The October issue is already posted to all. We have published in all 405 pages of peer reviewed scientific material. It includes 15 Review articles, 44 Original articles, 16 Case reports and one Book review. We have published 3 Symposiums each on "research methodology, giant cell tumor and spinal trauma"

2. We received 360 articles for publication during last 17 months. We have published 75 articles. 20 articles are already accepted with us. We have communicated decision about 260 articles received so far. 100 articles are in different stages of review process.

3. We have now a set pattern of every issue. Each issue has a subject specific articles & than general section which has assorted articles. The cover page indicates the theme of specific issue.

a. The fourth coming proposed symposium are on :

i. Femoral neck fracture

ii. Total hip replacement

iii. Ope fractures of leg

iv. Avascular necrosis of the femoral head

The Original articles are invited for submission for these symposium,.

4. We have been able to put issues of last 2 years on website. The visibility of Indian Journal of Orthopaedics has increased. More than 60000 visitors have visited our site for 2007 publication. This shows journal is much more accessible internationally/nationally.

5. Finance

a. The printing cost of 4 issues = Rs.15,22 lac.

b. Postage cost of 4 issues = Rs.3,75 lac.

c. Office expenditure during last 6 months have been = Rs.60,000

(Which includes salary of computer programmer, stationary, phone & internet)

These are last 6 months expenses, because IOACON 2006 & UCMS covered for first 6 months.

Total expenditure incurred by us = 19,60 lac. approximately

Subscription received so far by us is around = Rs.2,75 lac.

With the help of advertisements we have been able to meet the expenses over and above 12 lac given by IOA. We are likely to improve collection on subscription and advertisement substantially after a gap of one more year. We need financial allocation for additional 500 copies we shall be publishing in 2008 for increased membership as well as for equipments. We need one computer, scanner, printer (one) and consumables for electronic items. We need to employ one full time computer savvy English copy editor. This all would need about 2,00 lac/year.

6. Projected plan

a. We wish to start 6 issues / year

b. Coordination with south east ASIA need to be improved. We wish to have more co-ordination with Orthopaedic Association of Pakistan, Bangladesh, Srilanka, Nepal.

c. International edition - we have the proposal, however we have kept it on hold. This will be considered after ensuring consistency in publication for 2 years.

7. Indexing - We wish to apply for indexing in December 2007.

8. The non receipt of the Journal:- A site has been created to keep members data. If it includes the e-mail than the members will get electronic communication as an when a new article is unloaded. I request all members to send an e-mail to editor.ijo.akj@gmail.com&subscription@medknow.com stating the changed and old address & LM no. Any change of address at www.ioaindia.org to be notified to us.

I would like to congratulate and thanks Prof. HKT Raza, Prof.Govardhan, Prof.S.C.Geol and Prof.Mayil Natarajan for visionary views and total support to IJO.

I would like to thank Prof.Sudhir Kumar, HOD or UCMS for arranging financial support to IJO office for first 6 months.

Dr.Ish Dhammi and Dr. Puneet Mishra the member editorial board have worked day in and day out executing the planning for IJO and bringing the issues of Indian Journal of Orthopaedics in time.

Mr. Chaitanya Das has contributed immensely with computer skills.

Dr. Anil Kumar Jain

Editor - IJO

Basic Sciences Committee Report

To

The President

Indian Orthopaedic Association

Sir

The Basic Sciences Section in IOA was started, with the aim to encourage Basic Sciences Research in our country. I strongly feel that, to some extent same can be achieved by increasing the awareness on this subject, by deliberations in our Annual Conference i.e. IOACON.

In this regard, I request the Executive Committee to have a minimum time allotted for deliberations on Basic Sciences during IOACON. At present we just only have Dr.R.C. Rallan medal session. If we are allotted a specified minimum time we can have any symposium on a specific aspect of Basic Sciences.

My plea for Multicentric studies and fellowships, which I requested in last report may be please be put in Newsletter of IOA again.

We intend to hold a symposium on either Stem Cell Research or Cartilage Transplantation in 2008.

Thank you,

Dr. Anil Arora

Chairman - Basic Sciences

Report of Building Committee- Indian Orthopaedic Association

December 4, 2007

Dear IOA members,

After the first phase of the reconstruction work completed, namely renewal of the wall, making of an electric transformer room, repair of leaking basement walls, the work has stopped temporarily for installing the lift. Payment has been made to the previous contractors after negotiating the amount of their bills, reduced from Rs. 5.0 lacs to Rs.3.5lacs.

Now the work is undertaken by the contractors of DDA on Govt. approved rates, which is quite reasonable. The finalization of the lift has been made and we have to take Johnson & Johnson lift because of the simple reason that is no place in above and down in old construction. Though, it is expensive but in the long run we will get benefit. Only after the lift installed, we can undertake the other faults of the building along with the white washing and timber works.

I think, within few months, the whole house will have a new look with all the faults corrected.

I am enclosing the report of Mr.Arora, Senior Engineer of DDA and the details of works to be done including the expenses.

I appreciate the cooperation of the Executive Committee and Prof. Sudhir Kapoor, Treasurer, IOA, DDA and MCD officials. Our office incharge, Mr.Ramesh Pandey is taking keen interest and looking after the day-to-day activities. I am grateful to all of them.

Dr.S.P.Mandal
Chairman, Building Committee,
Indian Orthopaedic Association

SUPER SPECIALITY TRAINING REPORT

In the current year 2006-2007, six orthopedic surgeons applied for superspeciality training in various fields and all have been given placement.. Out of the six , three have already completed their training and remaining three are in the process.

Dr Vinod Kumari of Rajasthan completed arthroscopy/ sports medicine training at AIIMS, delhi.

Dr Raj Kissore of Dibrugarh will start his training on arthroplasty at PGIMS, Rohtak from the month of March.

Dr R Gupta of Faridabad is placed to undergo arthroplasty training at Ganga Ram Hospital at Delhi under Dr O N Nagi

Dr Sumit Bhatia of Hissar is undergoing training in arthroscopy under Dr I P S Oberoi at Railway Hospital, Delhi

Dr Pankaj Walecha of Rohtak will start his training on Revision arthroplasties at Laud Clinic, Mumbai from Jan '08

Dr Virender Kadiyan of Rohtak has applied for arthroscopy training at AIIMS.

Dr R C Siwach
Chairman, Super speciality training committee

Indian Orthopaedic Association

Annual Report of Osteoporosis Committee 2006 -2007

In the Executive Committee meeting of IOA held at IOACON 2006 at Delhi, the following decisions were taken:

To prepare a white Paper on Osteoporosis

To make a national committee

To Propagate the Public Awareness

To have updated awareness amongst the Orthopaedic Surgeons.

I am happy to inform that the following works could be accomplished during the year.

The White paper was completed and submitted at the summer meeting of IOA and a copy was submitted. I must thank the Osteoporosis committee of WBOA under the chairmanship of Dr.Subhashish Deb. The State committee helped at all levels to prepare the White Paper. It was sent for peer review from the IOA office. The white paper will be read in the IOACON2007 at Kolkata.

Some headway has been made in forming the National Committee. I have received good support from Prof. S.C.Goel, President elect, Prof. Shantaram Shetty, Mangalore and Dr. Kishor Maheshwari, Jamnagar. I have also personally talked with our members while my visits to different parts of the country. The following members have agreed:

Dr.Shantaram Shetty - Mangalore

Dr.Aneen - Kottayam

Dr.Kishor Maheshwari - Jamnagar

Dr.Ramesh Sen - Chandigarh

Dr. R.C.Bhargava - Jaipur

Dr.A.K.Sinha - Patna

Dr. Subhasish Deb - Kolkata

A meeting is proposed during the IOACON 2007 at Kolkata to finalise the short and long term strategies. There has been a lot of work done by members of IOA to enhance the public awareness as well as Medical Education for the Orthopaedic Surgeons.

Dr.Kishore Maheshwari did one-week awareness programme at Jamnagar starting from 20th October 2007 and he has recorded data of more than 1000 people.

Dr.A.K.Sinha has been regularly doing awareness program at Patna and neighbouring areas.

Kerala Orthopaedic Association organised the World Osteoporosis Day at Kottayam. In the morning they had a public awareness programme. In the afternoon they had a CME programme, which was well attended, and I personally joined the meeting representing IOA. The enthusiasm needs special appreciation.

Dr.Satish Goyal from Jalna, Maharastra is doing a commendable work to educate the society.

WBOA has been working very sincerely on this aspect. A separate Osteoporosis Committee is chaired by Dr.Subhasish Deb. Every month the Osteoporosis Core group meets to finalise their strategies for furthering the cause. The White Paper to be read during the IOACON 2007 is the outcome of these meetings. Every month there had been either a public awareness meet or CME in the districts. A special session on Osteoporosis was kept in the Annual Conference of WBOA.

I had the opportunity to conduct this session with the active participation of Prof. Shantaram Shetty, Dr. K.S.Maheshwari, Dr. Subhasish Deb and the organising committee of CEZCON 2007. The interactive session was applauded by all.

I had the opportunity to visit the following places during the year to attend the CME programs.

Eastern India - Guahati, Agartala, Patna

Central India - Varanasi, Raipur

Western India - Vapi Gujrat

South India - Kottayam

At all places the local interest and enthusiasm was excellent. More Orthopaedic surgeons have accepted the importance and relevance for the management and treatment of osteoporosis. Many of the arthroplasty surgeons have been treating their patients for osteoporosis to their happiness and satisfaction. My suggestion to have a session on Osteoporosis in the state and national conference has been accepted at many state levels.

I have not succeeded in one of my promise to bring out a special edition of JIMA in the month of October 2007. I had received articles from many of my colleges and of which four articles were selected. But to bring a special edition the JIMA needed some sponsorship, which I failed to collect. But I have not given it up, the issue will be published soon and I am sure with the incoming President's theme being "Osteoporosis" my committee will get further boost.

I must thank Dr.H.K.T.Raza, President and Dr.R.H.Govardhan, Secretary IOACON for giving me all out support during the year.

Dr. Shailendra Mohan Lakhotia
Chairman Osteoporosis Committee
Indian Orthopaedic Association
5th December 2007, IOACON 2007.

WINNERS OF VARIOUS AWARDS FOR THE YEAR 2007

AA Mehta Gold Medal: Dr J Naresh Babu

The diffusion of human lumbar intervertebral disc can be enhanced pharmacologically with oral Nimodipine

Dr K T Dholokia Gold Medal : Dr Navin Thakkar

Indigenous nail for unstable extracapsular #s of proximal femur

Dr P T Rao Gold Medal: Dr Tapas kumar Panigrahi

Anatomical correlation of tibial meduallary canal and its complications in intrameduallary fixation

SP Mandal gold medal for rational orthopaedics; Dr S Amarnath

Negative pressure wound therapy- modification of suction machine and design of timer switch

Dr SS Yadav Gold medal: Dr Manish Chadha

Fibular grafting for giant cell tumour of the lower end of the radius;is it the answer

Dr D P Bakshi shoulder/ elbow gold medal : Dr. A.N. Mukherjee

Biomechanics & Skeletal mechanical evaluation of forces around shoulder joint using newly designed shoulder Hemiarthroplasty in Indian Scenario

Dr R C Rallan Gold Medal : Not Awarded

Dr K P Shrivastava Gold Medal : Dr. Abhisek Bansal

Evaluation of role of shoulder Arthroscopy in patients presenting with clinical & radiographic finding.

THE BJD INDIA CONVENTION 28-30 NOV 2008 & THE WORLD BJD NETWORK MEETING 28-01 DEC 2008- PUNE

PROGRESS & INVITATION

Dear Colleague,

We are in the era of the "Bone & Joint Decade (BJD) 2000-2010"- a movement meant to create awareness and knowledge about the musculoskeletal diseases that afflict millions of people, causing immense pain and disability. The central issue is to improve quality of life but the real challenge lies in empowering our patients. But nothing will move unless we the medical faculty equip ourselves with sufficient knowledge and skills to bring about the much needed change in living BETTER & LONGER. BJD is an umbrella organization for people to work cohesively in improving the 'Bone and Joint Health'. It is strongly supported by UN & WHO, besides more than 65 countries.

BJD India is organizing a convention (Venue: Armed Forces Medical College, Pune) from 28th to 30th November 2008. The convention is in parallel to the annual BJD World Network Meeting which is also being held in Pune from 28th November to 1st December. It is a great honor and opportunity for India to host such a prestigious international meet.

The Convention will focus the management of "Rheumatoid Arthritis (RA) & Osteoporosis". Corrective and joint replacement surgery (including hand surgery) in end stage arthritis in the Asian Context will be discussed. Similarly, we will focus attention on fragility fractures and spine surgery in a setting of osteoporosis. While it is important for the rheumatologist to recognize the requirements and indications of orthopedic intervention, the orthopedic surgeon needs to be made aware of the recent therapeutic advances in RA. Newer biologic agents like Etanercept, Infliximab, Rituximab have revolutionized the treatment and outcome of RA and are now available in India. Special sessions for Biologics, both interactive and practical demonstrations, are planned during the meeting. Teriparatide, Ibandronate and several new agents, recently introduced in the Indian market, will be discussed and displayed. Overall, it will be an intensive scientific program to update ourselves with newer knowledge and skills.

For the first time, Orthopedic Surgeons, Rheumatologists and Physicians will sit together to discuss these and several other related issues. Indian Orthopedic Association (IOA) is a founder member of BJD India NAN, and several of its senior office bearers have actively worked towards its success. The provisional program of the BJD Convention and invitation to attend was included in the presidential address delivered by Dr Raza the IOACON 2007, Kolkatta in Dec 07. Several renowned orthopedic surgeons and rheumatologist have confirmed their participation. Prof Lars Lidgren, Chairman and founder, International BJD, is a distinguished orthopedic surgeon from Sweden and will attend the meetings. Several other experts will be representing the BJD countries during the meeting. Several of our senior orthopedic surgeons have confirmed their participation. As the focus is on Asia, several of our colleagues from Bangladesh, UAE, Iraq, Pakistan, Nepal, Sri Lanka, Iran, Oman, China, are expected to attend.

We invite you to attend this landmark first time meeting in Pune and enjoy the scientific feast and hospitality that awaits you.

The tentative program and registration details are now posted on the web site <http://www.bjdindia.org> There are limited seats as a large attendance is expected. Please register early and avail the early bird concessions. This is also a great opportunity for our young colleagues, post graduates in particular. 50 travel bursaries are being offered.

Please visit www.bjdindia.org for more information.

With Best Wishes and Greetings of the Season!

DR. A. CHOPRA Organizing Secretary

DR. A. MITHAL Chairman BJD India

DR. H.K.T. RAZA

“Dear Member,

We have been interacting with the Editors of JBJS(Br) to get the JBJS(Br) printed in India for distribution amongst our membership. As a first step they have offered to give a discount of Forty percent on the yearly subscription to all IOA members. The IOA would add a further Ten percent subsidy for all the members taking up the subscription. The subscription will therefore be at a discount of Fifty percent. (The cost for a yearly subscription will therefore be around Rs. 3200/=

Our endeavour is to encourage academic activities and we have felt that bringing an International Journal within reach of our membership will be step in the right direction. Ultimately we hope that we will be able to get JBJS (Br) printed in India at a reduced cost

Dr.S.C. Goel
President,IOA

Dr.Anil Jain
Editor,IJO

Dr.R.H. Govardhan
Hon.Secretary,IOA

Do respond to the following questionnaire urgently to enroll of this facility.

1. Name
