

Indian Journal of Orthopaedics

Official Publication of Indian Orthopaedic Association

Appointment for various positions of Editorial Board, IJO

Applications are invited for following posts of editorial board:

1. Editor: **One**
2. Associate Editor: **Two**
3. Assistant Editors: **Seven**
4. Members for editorial board: **Eight**

The required qualifications/guidelines for above mentioned posts are as follows:

1. Editor

Experience as Orthopaedic surgeon – **12 years** after MS Orthopaedics/DNB Orthopaedics

- (i). Should have published at least 5 articles as first author (each) in Indexed Journals or/and in Indian Journal of Orthopaedics
- (ii). Should have actively participated in editorial work of IJO/any indexed journal, (not a State level or local journal) for a period of at least 5 years. A person who has worked in the capacity of Editor/Associate Editor or a similar capacity will be preferred.
- (iii). Submit a vision statement of about 500 words stating your vision about future plans for IJO in next 3 years and the road map to achieve the same.
- (iv). Should be a Member of IOA since last 10 years.

PS: Shortlisted candidates for the post of Editor may be called for short presentation of their vision document.

2. Associate Editor

Experience as Orthopaedic surgeon – **8 years** after MS Orthopaedics/DNB Orthopaedics

- (i). Should have published at least 4 articles as first author (each) in indexed journals or/and in Indian Journal of Orthopaedics.
- (ii). Should have actively participated in editorial work of IJO/any indexed journal, (not a State level or local journal) for a period of at least 3 years. A person who has worked in the capacity of Assistant Editor or similar capacity will be preferred.
- (iii). Submit a vision statement of about 350 words stating your vision about future plans for IJO in next 3 years and the road map to achieve the same.
- (iv). Should be a Member of IOA since last 5 years and Reviewer of IJO.

3. Assistant Editor

Experience as orthopaedic surgeon – **6 years** after MS Orthopaedics/DNB Orthopaedics

- (i). Should have published at least 3 articles as first author (each) in international journal or/and in Indian Journal of Orthopaedics.
- (ii). Should have actively participated in editorial work of IJO/any indexed journal (not a State level or local journal) for a period of at least 1 year. A person who has worked in the capacity of Member Editorial Board and/or reviewer of journal will be preferred.
- (iii). Should be a Member of IOA since last 3 years and Reviewer of IJO.

4. Members Editorial Board

Experience as orthopaedic surgeon – **4 years** after MS Orthopaedics/DNB Orthopaedics

- (i). Should have published at least 2 articles as first author (each) in indexed journal or/and in Indian Journal of Orthopaedics, preferably in the particular specialty for which one is applying (e.g. Spine, Evidence based medicine and Arthroplasty etc.).
- (ii). Should have participated in research method workshops as faculty/participant.
- (iii). Should have actively participated in editorial work of IJO/any reputed indexed journal, (not a State level or local journal).
- (iv). Should be a Member of IOA and Reviewer of IJO.

Please apply to various positions in large number with your detailed CV mentioning your experience as Surgeon/teacher, your publications as first author or co-author and presentations at International, national level and your experience as Associate Editor, Assistant Editor, Member or Reviewer of the journal. **While listing your publications please write it as given in Pubmed. Publications as first author and as co-author are to be listed separately and serially numbered. If CV is not submitted as per requirement, the application will not be considered. Publications published in Non-indexed journals are not to be included in CV. The example is given below:**

Publications as First Author

Ross JA, Giannesini B. Fertility differences among developing countries: are they still related to family planning program efforts and social settings? *Int Perspect Sex Reprod Health*. 2012 Mar;38(1):15-22.

Publications as Co-Author

Oliva F, Gatti S, **Porcellini G**, Forsyth NR, Maffulli N. Growth factors and tendon healing. *Med Sport Sci*. 2012;57:53-64. Epub 2011 Oct 4.

Please give documentary evidence of your experience as Surgeon after MS/DNB, reference details of publications and experience. The deadline for submitting applications is **30th June 2018**. Please send your CV to **The Secretary, IOA Office, IOA House, Plot No. 69, Tughlakabad Institutional Area (Behind Batra Hospital), M.B. Road, New Delhi – 110 062 with an electronic copy to editor.ijo.akj@gmail.com**. We want to involve everyone who has interest/temperament in editorial process.

Thank you very much indeed for your support.

Dr. Ish Kumar Dhammi
Editor
