

Inland Fellowship of Indian Orthopaedic Association

1. IOA - Johnson & Johnson Travelling Fellowship

Objectives:

- * To expose young orthopaedic surgeons to different orthopaedic problems and their solutions in different situations and facilities.
- * To expose young surgeons to senior orthopaedic surgeons with a view to interact, gain knowledge of attitudes and philosophy of work, skills, organization of department and clinics etc.
- * Establish rapport with orthopaedic surgeons for future interaction and to make lasting friendships along the way.

No. of Fellowships: Three (2 from teaching institutions and 1 from non-teaching institutions)

Duration: 4 to 6 weeks

Age:

All applicants should be less than 40 years of age at the time of last date of application.

How Fulfilled?

The fellowship committee selects four young surgeons from applicants <40 years of age by the deadline of application. Two surgeons for the three IOA – Johnson & Johnson traveling fellowships are selected from the teaching stream, one from the non-teaching stream. The Robert Roaf fellow is essentially a non teaching fellow.

The four fellows travel for a period between 4-6 weeks starting from the Venue of the IOACON. They visit the four metro cities viz. Mumbai, Chennai, Calcutta and New Delhi and at least two other smaller centres, decided by rotation, during their travel.

Please Note: Registration, accommodation and local transportation will be provided by the host of IOACON.

Finances:

Financial help provided by Johnson & Johnson.

Application Format and Criteria of Selection:

These are detailed separately.

Selection:

The points earned by an applicant are tabulated by the inland fellowship Chairman and passed on to members of the fellowship committee for final selection. The fellowship committee comprises of:

President of IOA

Hon. Secretary of IOA

President elect of IOA

Two Immediate Past Presidents of the IOA

Inland fellowship Secretaries / Member / Chairman & Co-chairman.

Foreign fellowship Secretaries / Member / Chairman & Co-chairman.

Editor of the Indian Journal of Orthopaedics.

How to Apply and Time Schedules:

Nine sets of applications properly compiled as per format given and with the required certification should be submitted to the Inland fellowship Chairman by 31st March of the year of application. The application will be scrutinized and passed on to the fellowship committee for final selection and applicants intimated by 30th June of the year of application.

Obligations of Inland Fellows of IOA

To complete the full tenure of the fellowship responsibly. To follow the guidelines provided by the Inland Fellowship Secretary and all local fellowship coordinators of the centres visited. To submit a completion report to the Inland Fellowship Secretary within a month of completion of the fellowship.

Selected members who cannot join the fellowship due to any valid reason should notify at least 1 month prior to commencement of the fellowship to the Inland Fellowship Chairman so that the member next on waiting list can avail of same. Failure to notify will debar the member for availing any fellowship for three years.

2. IOA - Robert Roaf Fellowship:

1. IOA member below the age of 40years
2. IOA member not from a teaching institution (University / National Board)
3. Preferably from a rural back ground where there are no medical colleges

2. Is it a teaching or non- teaching Institution?
3. Number of beds for Orthopaedics and Traumatology.
4. Department Structure and hierarchy, Number of professors / associate professors / assistant professors and residents.
5. Specialized work being carried out in the department, if any.
6. Research project being carried out, if any.
7. Desired field of expertise of the visiting professor.
(Fields of expertise available: Arthroplasty/ Arthroscopy/ General Orthopaedics/ Hand & Microsurgery/ Ilizarov/ Oncology/ Orthopaedic Research/ Paediatric Orthopaedics/ Spine Surgery - Adult or Paediatrics/ Sports Medicine/ Traumatology)
8. Duration of stay desired (one week / 2 weeks)
9. Can you make arrangements for the reception and comfortable stay of a visiting professor?
(The responsibility of making arrangements for lodging and boarding for the visiting professor solely rests with the inviting department. IOA has no funds to sanction on this account).
10. Suggest three centers, which you feel, will benefit by your visit. (The fellowship committee is not bound by these suggestions. These are purely recommendatory in nature)
11. Why do you require services of a visiting professor?

Selection of visiting professor:

Those desirous of offering their services as a visiting professor on this scheme need to apply to the fellowship committee with

1. Detailed curriculum vitae
2. Designation: Professor / Associate professor with more than 5 years experience in this post / Consultant of more than 10 Years.
3. Field of specialization in Orthopaedics.
4. Duration of stay desired (One week / 2 weeks)
5. Suggest three centers, which you feel, will benefit by your visit.

About the Visiting Professor:

The IOA shall select a visiting Professor and the Professor can select the place he wishes to visit for one week. Teaching Schedule:

1. Clinics (OPD) and ward rounds, Surgery, Lectures and non didactic teaching e.g. Videos, technique discussion etc.
2. Case presentation.
3. Journal club / presentation by staff / Pre and post operative conferences.
4. Discussion of research projects / publications etc.
5. The visiting professor and the head of department of the institute visited will submit a report to the Inland Fellowship Committee. This would cover the benefits accruing from such a programme and suggestions as to how this can be made more effective. The visiting Professor will send in his report an assessment of the visited department and the HOD of the visited department will give a feed back on the utility and effectiveness of the visiting professor.

How to Apply and Time Schedules

One sets of applications by the desirous institute / department and by Orthopaedic surgeons willing to offer their services as visiting professors must be made to Hon. Secretary I.O.A as per schedule announced in Newsletter of I.O.A.

10. Orthopaedic Research Foundation

Funds for projects selected under this will be minimum of Rupees 1,00,000/-

At present this is Basic Science & Research in Orthopaedics.

The funding may increase depending upon the magnitude and far reaching consequences of the study being carried out

The application must be accompanied with a complete project outline.
