

28th October, 2017

Dear friends,

Accept greetings from the office of Election Officer, IOA!

I understand that due to festive season, delivery of ballot papers may be getting delayed and members are facing problems so we have decided to extend the date for dispatch of ballot papers from IOA office from 1st November, 2017 to 10th November, 2017. So, now the last date for receiving request for duplicate ballot papers has been extended till **10th November, 2017**.

Please understand that no further extension will be possible after this due to logistic reasons.

Please understand that it is our endeavor that every member gets a chance to vote and nobody is deprived of this basic right. As an Election officer, my commitment is 100% in this regard. Every individual member who approaches me regarding election is being answered

I humbly request all of you to please convey this message to all members who have not received ballot paper till date.

I also wish to inform you that members have to send their request from their own end and it should be correct along with LM no. and mobile nos.

With best wishes,

(Prof. Rajesh Malhotra)

Election Officer, IOA
