The JCOT & IJO editorial team invites you to participate in the

## **Scientific Paper Writing CME Workshop**

Date: 17<sup>th</sup> February 2019 (Sunday)

Venue: **Hotel Royal Plaza**, 19 Ashoka Road, Connaught Place, Delhi 110001

### **Course objectives**

This edition of a whole-day scientific writing workshop aims to help the participant gain insight (and expertise) into the conceptualization, methodology, execution, errors and critical analysis of their original research work put up for publication in reputed indexed journals.

**We have included panel discussions on paper writing in real-time this time round and hope to be able to provide practical solutions for problems discussed during the lectures**

### **Target participants**

Young (medical college students starting clinical practice for career advancement) & established surgeons (desirous of scientific publishing) are welcome.

### **Content**

Understanding the *Type of Scientific Report & Level of Study*, appropriate presentation of *Results*, defining *Materials and Methods*, framing of *Introduction, Discussion* (Analysis of results) & *Conclusions*, and creating an appropriate *Title & Abstract* for maximizing chances of acceptance; form the major content of the learning modules.

We will also dissect guidelines for reporting (powering of a study, defining the study objectives), common errors in writing (incl. plagiarism) and reviewer's viewpoints.

### **Structure**

A very prominent and senior group of faculty would be actively participating in this programme. Every participant for the first time would be discussing manuscript writing in real-time. Post workshop, mentors will be assigned to each participant to help in his/her own projects in the future.

### **Faculty**

Editors and experienced reviewers from reputed indexed Indian journals (both surgical and medical)

### **Registration and fee structure**

Fees: Payable by cheque/demand draft to "Delhi Orthopaedic Association"

Early bird (upto 7<sup>th</sup> Feb 2019)–INR 1500; Regular (upto 15<sup>th</sup> Feb 2019)–INR 2500

*NEFT Account Name: Delhi Orthopaedic Association. State Bank of India Chandralok Building, Janpath. Account Number 10185777887 IFSC SBIN0001639*
