Dear All members

We are happy to announce that [our new website](#) and [Mobile Application at Google Play](#) will be functioning from today with all facilities for Members and Nonmembers / Patients and Education Grant Partners

We are very much thankful to **Leadership of IOA Dr. Sudhir Kapoor and all EC members** for putting faith in us to have herculean task for getting our database updated continuously – dynamically - our members contact details to remain in touch with Orthopedic Association Activities and become cohesive brotherhood feeling amongst members and remain updated for all academic activities.

One can Log In to <https://www.ioaindia.org/> and update his or her profile and activate with passwords We have sent activation link to each member in 500 blocks to prevent spamming action – all will receive in a day - from the existing updated verified database received from IOA office recently. Pl check your email accounts Inbox/ Spam/ Junk and click activation link. Click [Help file](#) if any trouble. Those who will be activating till 10th October as decided by Election Officer would be eligible for online voting in Election Process when it starts.

[Our Website](#) and Mobile application are under 24hr IP surveillance for security reasons. And it will be SSL certified within short time once live like ICICI Bank –having https status- Safe and Secured Certificate .

Suppose if you have not received activation link – First thing is to wait for few hours as links are sent in batches of 500 members - second -if not received after few hrs - that means either there is no email details with IOA database or your email address is wrong in typing while submitting data/ or bouncing due to overused accounts or old email id which is deactivated by your email client provider etc. – in that case please go to website or download our Mobile application from Google play and Enter Your LM Number and Email ID in Box and Submit (for details see Help file) (If you have forgotten your LM number – Search by Name / City or State and fill that LM number in that field – now we have made all LM numbers as LM prefix and followed by Five digits – so if your number is 1 –LM00001 , if 11- LM00011 so on(as now our membership has grown to 5 digits –this will work till 99999 members) . After submitting - form will open up and fill all data and submit – these details will go twice a week to IOA office and election officer for verification - once verified by IOA office and Election Officer – they will get activation link within short time. If any problem – [please contact IOA office](#). For eligible members for online voting –Helpline of Webmaster (Email and Whasapp and if not solved -on phone) will open for Online Voting difficulties if any -and that details will be sent to all once Election Process starts. All facilities are available on our [Mobile Application also](#) – same can be done from Mobile also – on fingertips- solution in your palm only.

We have added all new features to [website](#) and [Mobile application](#) from where you can [Build Your Own Website and Publish and do Maintenance of your website yourself](#), where you can highlight your achievements, your specialty, special techniques, your setup, your awards, your educational credentials, Gallery of photos and extra gallery Links – facility for information for patients – patient enquiry/ appointments / Insurance Packages available etc. For Help click [Help File](#) .
