Dear members IOA,

The Indian Orthopaedic Association is pleased to announce the launch of its partnership with OrthoEvidence - the largest database of orthopaedic focused evidence in the world. With this membership, you will become part of a growing community of more than 40,000 surgeons who are using high-quality evidence to improve their practice. This membership is valued over \$100.00 (USD) but is being provided for FREE through your membership with the IOA. OrthoEvidence will be sending you a series of emails shortly that will contain your login information and an introduction to the service.

LONG LIVE IOA!
