Applications are invited for the IOSUK Senior Fellowship Programme for the Year 2015

The Senior Fellowship Tour (Age – Over 45)

IOS (UK), as a part of its Educational Programme, has set up these annual Fellowships, open to established Orthopaedic Surgeons practicing in India.

Selection for the Fellowship

The selection of the candidate for the fellowship on offer is based upon academic achievements, professional standing and the overall contribution to Orthopaedics and Trauma. (The third fellow is selected by the Indian Orthopaedic Association - IOA).

Provisional Programme

The fellowship is of two weeks duration. It includes economy class airfares from India, official travel within the United Kingdom, accommodation and subsistence. The programme includes visiting centres of excellence, giving lectures and attending the British Orthopaedic Association Annual Meeting.

Kindly click the link to the online application form on the IOSUK website and submit. Please note that the last date for receipt of the applications is 28th February 2015. The successful candidates will be notified by email and their names will also be posted on the website.
