I.O.A. FELLOWSHIPS

Indian Orthopaedic Association has a very long history, of having served the members by number of excellent activities, for the upliftment of the profession and its members. Organizing fellowships is one of the important activities. Many senior members have worked hard, to get them sponsored, by well wishers of the Association with a view to attain excellence in their chosen field. Members are requested to take advantage of these fellowships.

Indian Orthopaedic Association offers these fellowships to its members to help them visit various centres, attain training and attend conferences in India and Abroad.

INLAND FELLOWSHIPS

- ❖ Johnson & Johnson Fellowship
- ❖ Robert Roaf Fellowship
- ❖ IOA – Dr. S.S. Babhulkar Fellowship
- ❖ IOA – Dr. G.S. Kulkarni Fellowship
- ❖ WOC – SICOT: IOA Inland Fellowship
- ❖ IOA- Panacea Biotec Grant in aid for basic science research.
- ❖ IOA-INOR Grant in aid for development of Implant/Instrument.

*Applications are to be sent to Inland Fellowship Secretary by 31st March every year
(30 April 2004 for this year)*

FOREIGN FELLOWSHIPS

- ❖ INOR fellowship : To attend the BOA annual meeting in 2004
- ❖ Depuy Johnson & Johnson fellowship : To work in any arthroplasty centre outside the country of the selected candidate's choice
- ❖ IOA-Dr. R.L. Mittal Fellowship for SICOT Conference 2005.
- ❖ AAOS fellowship: The selected candidate from India to attend American Academy Meeting in the U.S.

*Applications are to be sent to Foreign Fellowship Secretary by 30th September every year.
(For INOR fellowship of 2004 : 30th April 2004)*

Guidelines to the applicant

1. Only Life and Full members of IOA, without any dues, are eligible.
2. One set of the application comprising of Curriculum Vitae, Bio-data, and the relevant authenticated Xerox copies of the documents must reach the fellowship secretary before **September 30** every for Foreign Fellowships and **March 31** every year for Inland Fellowship (30th April 2004 for this year).
Authenticated Xerox copy of Birth Certificate, School Leaving Certificate or Passport must be attached for age verification of the applicant.

4. A member can be selected for only one of the overseas / foreign fellowships. Those who have availed a foreign fellowship of IOA are not eligible to apply for another foreign fellowship.
5. Applicant must apply for only one fellowship.
6. Any change in address / phone no. must be immediately informed to the fellowship secretary.
7. Any wrong information or canvassing will disqualify the applicant.
8. Only written communication will be entertained.
9. Only selected candidate will be informed.
10. Application must be sent by registered post only, and no receipt will be sent.
11. Authentication must be by a Gazetted officer, Head of the institute, Current President or Secretary of the State Chapter to which the applicant belongs.
12. Applicant must have a valid passport and shall obtain Visa to travel in proper time for foreign fellowship.

**IOA-‘PANACEA BIOTEC RESEARCH GRANT’ FOR BASIC RESEARCH IN
ORTHOPAEDIC SURGERY
AND
IOA- ‘INOR GRANT’ FOR IMPLANT / INSTRUMENT DEVELOPMENT**

1. A sum of Rs. 15,000 from the interest from corpus fund of Rs. Two lacs will be awarded as a grant-in-aid for short research project analysis of which can be completed within a maximum period of 15 months.
2. These fellowships are open to all life members of IOA or full members of more than 5 years standing in IOA without arrears.
3. Applications shall be invited for the research grant fellowship in January News letter IOA. Last date for receipt of applications by Inland Fellowship Secretary will be 31st March of same year.
4. Eight copies of brief outline of proposed project in maximum 500 words should be submitted along with one set of biodata of the members. The out lines should include:
 - a. Title of the project.
 - b. Principal worker.
 - c. CO-worker (s) if any.
 - d. Institution in which the work shall be undertaken.
 - e. Permission from concerned authority, if required. Yes/No (submit a copy of the same)
 - f. Total projected expenses.
 - g. Time schedule for completion of project (Maximum time limit is 15 months. Project should preferably be of 12 months duration to give time for unexpected delays)
 - h. Has any past work been done already.
 - i. Details of the project (in 300 words).
 - j. How will the project help in
 - (a) Furthering medical knowledge, especially as related to Orthopaedics.
 - (b) Better understanding of the principles and practice of Orthopaedics and Traumatology.
 - (c) Other
5. The final selection shall be done by executive committee in its meeting in May. One member shall be selected and one kept as standby. The inland fellowship Secretary shall intimate the selected member latest by 15th of June and shall seek his acceptance for carrying out the project and completing by end of September of following year. He should make an undertaking that he shall present his work as a short paper of 10 – 12 minutes duration with 3 minutes for discussion in the IOACON of same year of submission of completed project in a special session for research grant projects Rs . 7,500/- shall be awarded at time of confirmation of above.

The remaining sum of Rs. 7,500/- along with a certificate shall be awarded to him after his presentation. A representative of the M/s Panacea Biotech Ltd / INOR Ltd shall be present on dais during this presentation.

IMPORTANT

1. The companies shall have no right over the project or the subsequent results. However, the author shall be free to collaborate with the company directly for further continuation of the project, after its presentation in the IOACON.
2. The views and remarks given by the author shall be his own and the IOA is not responsible. The results shall not be endorsed on behalf of IOA by the author or the company.

The Johnson & Johnson/ Robert Roaf Travelling Fellowship, Dr. SS Babhulkar Fellowship and Dr. GS Kulkarni Fellowship

1. The Johnson & Johnson / Robert Roaf Travelling Fellowship

OBJECTIVES : To expose young orthopaedic surgeons to different orthopaedic problems and their solutions in different situations and facilities.

To expose young surgeons to senior orthopaedic surgeons with a view to interact, gain knowledge of attitudes and philosophy of work, skills. Organization of department and clinics etc. establish rapport with orthopaedic surgeons for future interaction and to make lasting friendships along the way.

HOW FULFILLED ?

The fellowship committee selects four young surgeons from applicants <40 years of age by the deadline of application. Two surgeons for the three J & J fellowships are selected from the teaching stream. The Robert Roaf Fellow is essentially a non teaching fellow.

The four fellows travel for a period between 4-6 weeks starting from the Venue of the IOACON. They visit the four metro cities Viz, Mumbai, Chennai, Kolkata and New Delhi and atleast two other smaller centres, decided by rotation, during their travel.

FINANCES : Currently M/S Johnson & Johnson Ltd. sponsor the J & J Fellowship by an annual fund of Rs. Forty Thousand. The Robert Roaf fellowship gives a amount of Rs. The available Sum of money is enough to cover the travelling expenses of the fellows from their places, through the fellowship centres and back, and to cover some miscellaneous expenses. The centres visited finance the fellows visit on their own.

APPLICATION FORMAT AND CRITERIA OF SELECTION

These are detailed separately.

SELECTION

The points earned by an applicant are tabulated by the inland fellowship Secretary and passed on to members of the fellowship committee for final selection. The fellowship committee comprises of

President of IOA

President elect of IOA

Two immediate past presidents of the IOA

Hon. Secretary of IOA

Inland and Foreign fellowship Secretaries.

Editor of the Indian Journal of Orthopaedics.

HOW TO APPLY AND TIME SCHEDULES

Nine sets of applications properly formatted as per format given and with the required certification should be submitted to the Inland fellowship Secretary by 31st March every year.

The application will be scrutinized and passed on to the fellowship committee for final selection and applications intimated by 30th September 2003

2. The Dr. S.S. Babhulkar Fellowship

Objective

To expose selected young Orthopaedic Surgeons to subspecialty centre in Orthopaedics for period of 4-6 weeks.

HOW FULFILLED ?

Orthopaedic Surgeons younger than 40 years of age can apply by the deadline of application. The selected applicant indicates the subspecialist / centre where he wishes to work. The Inland Fellowship Secretary coordinates the arrangement.

FINANCES : A corpus fund of 2 lacs exists 60-75% of the accrued annual interest (approximately Rs. Thirteen Thousand) will be spent on the fellowship to support the fellows travel and other expenses the remaining interest shall be deposited towards the corpus fund.

3. The Dr. G.S. Kulkarni Fellowship

Objective

To expose selected young Orthopaedic Surgeons to subspecialty centre in deformity correction for period of 4-6 weeks.

HOW FULFILLED?

Orthopaedic Surgeons younger than 40 years of age can apply by the deadline of application. The selected applicant indicates the subspecialist / centre where he wishes to work. The Inland Fellowship Secretary coordinates the arrangement.

FINANCES : A corpus fund of 2 lacs exists 60-75% of the accrued annual interest (approximately Rs. Thirteen Thousand) will be spent on the fellowship to support the fellows travel and other expenses the remaining interest shall be deposited towards the corpus fund.

APPLICATION FORMAT, CRITERIA FOR SELECTION, SELECTION AND TIME SCHEDULES

These are the same as for the J & J / Robert Fellowship

Candidates have to apply by 31st March every year.

For year 2004 date has been extended to 30.4.2004).

WOC – SICOT INLAND TRAVELING FELLOWSHIP

The India is pleased to inform that during the last SICOT meeting at San Diego, approval has been made for 15 traveling fellowships for members of IOA to travel to centres of excellence within India to be trained in a sub-speciality of their interest (Trauma, Spine Surgery, Arthroscopy, Paediatric Orthopaedics, Arthroplasty, Oncology and General Orthopaedics). The fellowship carries a fellowship amount of Rs. 7,500/- towards travel, accommodation and subsistence. The fellowship for duration of 3 to 6 weeks depending upon the convenience of the fellow and the center to which he wishes to travel. The selection will be done through the IOA and the applicant should send 3 copies of his CV clearly stating his field of interest and his preferred center for training.

Fellows will travel separately to the centers chosen by them. After selection by the IOA, the WOC-India will liaison with the centers for appropriate dates.

apply to: Dr. Ashok Johari, MUMBAI-400016

The fellows will not travel together. Each fellow will travel separately to his center of choice at a mutual convenient date for himself and the trainer.

OBLIGATIONS OF INLAND FELLOWS OF IOA

To complete the full tenure of the fellowship responsibly. To follow the guidelines provided by the Inland Fellowship Secretary and all local fellowship coordinators of the centres visited.

To submit a completion report to the Inland Fellowship Secretary within a month of completion of the fellowship.

GRADING SYSTEM FOR INLAND FELLOWSHIPS
MAXIMUM MARKS = 100

- 1. POST GRADUATE QUALIFICATIONS IN ORTHOPAEDICS** **5 marks**
Recognised qualifications : M.S. Orth./ D.N.B. Orth. (2 marks each)
Other qualifications / degrees: M.Ch. Orth. /FRCS/ PhD. Orth. (1 mark each)
- 2. EXPERIENCE** **10 marks**
Year after PG Qualifications 1 mark year Maximum Marks 7
Teaching experience as Lecturer / Asst Professor above 1 mark year Maximum Marks 3
- 3. PUBLICATION** **40 marks**
- I. Indexed Journal / IJO Maximum 20 marks**
5 marks per publication as main author
3 marks per publication as co-author
- II. Non Indexed Journal Maximum 10 marks**
2 marks per publication as main author
1 marks per publication as co-author
- III. Books Maximum 10 marks**
10 marks per book as main author
5 marks per book as associate author
10 marks per book as editor / author of monograph
5 marks per book chapter as contributing author
3 marks per book chapter as co-author
- 4. PAPERS / POSTERS PRESENTED PERSONALLY** **10 marks**
International conferences abroad 3 marks per paper / poster
International conferences in India / IOACON 2 marks per paper / 1 mark per poster
subspeciality / state chapter conferences 1 mark per paper / ½mark per poster
- 5. GUEST LECTURES / LECTURES AT CME / WORKSHOPS** **10 marks**
International conferences abroad 5 marks per lecture
International conferences in India 5 marks per lecture
IOACON 3 marks per lecture
Subspeciality / state chapter conferences 2 marks per lecture
- 6. RESEARCH PROJECTS COMPLETED** **10 marks**
Funded by an International / National agency, government organization or University.
5 marks per completed project
- 7. CONFERENCES ATTENDED** **5 Marks**
International conferences abroad 2 marks per conference
International conferences in India / IOACON 1 mark per conference
Subspeciality / State chapter conferences ½mark per conference
- 8. ORGANIZATIONAL** **5 marks**
Convenor or Organizing Secretary of International or National meeting or workshops / Office bearer of National organization. 2 marks / post held
Convenor or Organizing Secretary / state level meeting / Office bearer of National organization.
1 mark / post held
- 9. MEDALS, PRIZES, AND AWARDS IN ORTHOPAEDICS** **5 marks**
IOA medal. Prize or award 2 marks

(to be used in case of tie up of marks)

(In case of dispute of interpretation under any heading, the decision of the fellowship committee will be final)

DR. ASHOKE SENGUPTA VISITING PROFESSORSHIP OF IOA

I. OBJECTIVES

To avail the services of experienced and eminent Orthopaedic surgeons for upgrading the standards of Orthopaedic Knowledge and care at the host centre.

II. FUNDS AVAILABLE

A corpus of Rs. 2 lacs exists and the interest accruing therefrom would be utilized for the expenses of the visiting professor. This would amount to approximately Rs. 19-20 thousand annually. (70% of interest is to be utilized : see newsletter or I.O.A. Secretary July 2003 pg. 10, item 10)

SELECTION OF CENTRE

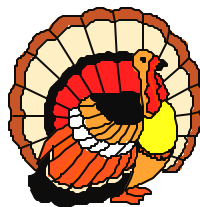

The centers desirous of availing a visiting professor must apply to the Inland fellowship Committee of the IOA. The application will state the following : Whether the institution is run by Government / Local Body / trust or is a private institution.

Is it a teaching non teaching institution number of beds for Orthopaedics and Traumatology. Department structure and hierarchy. Number of Professors / Associate Professors / Assistant Professors and Residents. Specialized work being carried out in the department, if any. Research project being carried out.

- Desired field of expertise of the visiting professor.
- Duration of stay desired (one week / * 2 weeks)
- Can you make arrangements for the reception and comfortable stay of a visiting professor.
- Suggest three names of visiting professors.
- Why do you require the services of a visiting professor ?

EXPLANATIONS

7. Fields of expertise available
Orthopaedics
Arthroscopy
General Orthopaedics
Hand / Microsurgery
Ilizarov
Oncology
Orthopaedic Research
Paediatric Orthopaedics
Spine Surgery – Adult / Paediatrics
Sports Medicine
Traumatology
9. The responsibility of making arrangements for stay and food for the visiting professor solely rests with the inviting department. IOA has no funds to sanction on this account.
10. The fellowship committee is not bound by these suggestions. These are purely accommodatory in nature.

SELECTION OF THE VISITING PROFESSOR

Those desirous of offering their services as a visiting professor on this scheme need to apply to the fellowship committee with detailed curriculum vitae.

Designation : Professor ? Associate Professor with more than 5 year experience in this post / Consultant of more than 10 years standing. Field of specialization in Orthopaedics Duration of stay desired (one week/2weeks)

Suggest three centres

In the selection of a visiting professor, preference will be given to the needs of a deserving centre. The process would be to Identify the centre likely to benefit most by the visit of a professor. Identify the visiting professor most suited for the need of such a centre.

2. IOA will pay only the travel expenses of the visiting professor by air / 1st AC from the place of Residence / work of the visiting professor to the institution visited and back. Air travel is subject to the budgetary allocation or sanctions made by the IOA.
3. The centres will have to specify the facilities for stay of the visiting professor.
4. The visiting professor and the head of department of the selected centre will communicate with each other regarding the visiting professors programme. This can be organized under the following headings.

Teaching during :

Clinics (OPD) and ward rounds

Surgery

Lectures and non didactic teaching eg. Videos, technique discussion etc.

Case presentation

Journal club / presentation by staff

Pre and post operative conferences.

Discussion of research projects / publications etc.

5. The visiting professor and the head of department of the institute visited will submit a report to the Inland Fellowship Committee. This would cover the benefits accruing from such a programme and suggestions as to how it can be made more effective.

The visiting professor will send in his report an assessment of the visited department and the HOD of the visited department will give a feed back on the utility and effectiveness of the visiting professor.

HOW TO APPLY AND TIME SCHEDULES

Nine sets of applications by the desirous institute / department and by Orthopaedic surgeons willing to offer their services as visiting professors must be made to

The deadline for application will be 31st March of the year of application (30 April 2004 this year) short listing of centres and short listing of likely visiting professors will be made and forwarded to the fellowship committee by the Inland Fellowship Secretary.

Final selections and intimation of the respective center and visiting professor will be made by 30th June of the year application. The visiting professor will visit the selected centre in the second half of the year of application. The visiting professor and the HOD of the host institute will submit their reports within a month of completion of the visit.

FOREIGN FELLOWSHIPS, IOA

Presently four Foreign Fellowships are available:

1. **INOR Fellowship**, The fellowship is sponsored by INOR Orthopaedics. Fellow attends BOA annual meeting in UK. The fellowship covers the exact cost of to and fro air fare for the travel of the fellow from Mumbai / Delhi to London and back. He has to register for the BOA Annual meeting and manage himself in UK on his own.
 2. **Depuy (Johnson & Johnson) Fellowship** This fellowship is sponsored by Depuy (Johnson & Johnson) to enable to the selected candidates to visit and work in arthroplasty centre outside the country.
 3. **IOA – R.L. Mittal Fellowship for SICOT Conference:** Members of IOA who are not more than 45 years of age on the day prior to the start of SICOT congress are eligible to apply. An authenticated proof of age has to be submitted by the applicant.
- ❖ The applicant must possess post graduate degree such as M.S. (Ortho.) or equivalent qualification as recognized by M.C.I.
 - ❖ Acceptance of a lecture or an oral Free Paper will be essential for selection for this fellowship and proof of its acceptance has to be submitted by the applicant for this award. (For the year 2002 this clause is not applicable).
 - ❖ A panel of three names will be prepared and the most eligible will be finally selected.

For this fellowship, Dr. R.L.Mittal will also be one of the members of the existing Foreign Fellowship Committee. The foreign fellowship secretary will start the process of selection at least one year in advance so as to finish in time. 10 copies of the application, duly completed along with the requisite documents (attested by a gazetted officer or a past president of IOA i.e. degrees professional experience, list of National & International publications including books along with reprints his/her best publications, presentation at regional, national and international conferences- oral (Lecture or free paper), poster, video etc with proofs should be submitted by the applicant by registered post only.

A lump sum grant of 80% of the interest or Rs. 50,000/- which ever is less will be given by the IOA as a partial financial assistance to the selected candidate, who will himself be responsible to arrange for his Passport, Visa, Registration for the conference, Travel, stay and maintenance during the conference.

The 20% of the interest of the amount saved will be added to the corpus, 50% amount can be availed by the selected candidate before the Conference. (This year only 20,000/- shall be awarded).

A certificate will be awarded to the fellow at the next IOA annual conference, after the SICOT meet. The fellow will submit a report within a month of his return from the conference, mentioning the benefit to him from activities of the conference as well as his contribution. He will only taken be paid the rest of the 50% of the amount of the fellowship. The report will be published in the Indian Journal of Orthopaedics.

4. **AAOS fellowship:** The selected candidate from India will attend the American Academy Meeting in the US (This is subject to final selection from candidates recommended from other Countries).

Criteria for Selection for Foreign Fellowships

Authenticated Xerox copies of all the certificates from the certifying authorities must accompany the application for the marks claimed by the applicant.

Selection will be according to the following marking system:

1. Basic qualification required is M.S. (Orth) D.N.B. (Orth) / F.R.C.S. (Orth).
Qualification – Total 5 marks
M.S. (Orth) – I mark
D.N.B. – I mark
F.R.C.S. (Orth) – I mark
M. Ch. – I mark
Any recognized super speciality degree qualification – 1 mark
(Authenticated Xerox copy of the degree certificates must be attached)
2. Experience – Total 10 marks
 - a. 1 Mark for every Completed three years, after five years of Orthopaedic qualification, but not more than 7 to be attached.
 - b. Teaching experience – Total 3 marks
As Assistant Professor, Senior lecturer, Reader and / or equivalent for at least 5 years – I Mark.
As Professor and / or associate professor for at least 5 years – 2 marks (Certificate from the head of the institute required)
3. Publications – Total 40 marks
(Publication / Presentation on the same subject will be considered for marking only once)
 - a. Publications in IJO Total – 13 marks
As Original Author (Validation from the head of the institute required) 2 marks for each publication. Maximum 8 marks.
(Submit only your choice articles and not more than 4.)
As main Co-author (Validation from the Head of the institute / Main Author required) I mark for each publication. Maximum 5 marks.
(submit only your choice articles and not more than 5.)
 - b. Publications in International Journals – Total 12 marks
As main author (Certificate from the head of the institute required)
2 marks for each publication. Maximum 10 marks
(submit only your choice articles and not more than 5)
As co-author I mark for each publication. Maximum 2 marks (submit your choice articles and not more than 2).
 - c. Original Published Orthopaedic Research Work (Validation from Head of the institute required) Recognized Internationally or Nationally (Validation from three IOA President required) (submit the work in complete or resume) – total 5 marks.
1. Publications in Book (Orthopaedic) – Total (8marks)
(Authenticated Xerox Copy of the title of the book, Chapter / article required for validation)
 - a. Only Author / Editor of book – Total 5 marks
2.5 marks for a publication, maximum 5 marks
 - b. Contributor of a chapter or more in an Orthopaedic Book – total 3
1. Mark for each book but not more than 3 marks
2. Publications in Medical Science related book or journal – Total 1 mark
(Authenticated Xerox Copy of the title of the book / journal / Article required for validation)
0.5 Mark per article. Maximum 1 mark.

3. Publications in IOA State Chapter Journal – total mark 0.5 Mark per article. Maximum 1 Mark.
(Authenticated Xerox Copy of the title of the journal & Article required for validation) 4.

a. Presentations – Total 30 marks

(validation from certifying authority required)

C.M.E. Lecturer (Validation required) – Total 5 marks

C.M.E. lecturer – IOA – Total 3 marks

Each lecture 1 mark, maximum 3 marks

C.M.E. Lecturer – State Chapter – Total 2 marks Each lecture 0.5 mark.

Maximum 2 marks

Presentation of Paper – (Validation required) Total 20 marks.

Only presenter will get the credit.

IOACON / International Annual Meet – Total 10 marks

IOACON / International Meet in India – Each paper 1 mark.

(Submit the Summary of each presentation of your choice but not more than 10 marks
International Meet out side India – Each paper 2 marks maximum 10 marks (Submit the Summary
of each presentation of your choice, but not more than 5) IOA State Chapter Annual conference
Total 5 marks Each paper 1 mark. Maximum 5 marks.

(Submit the summary of each presentation of your choice, but not more than 5)

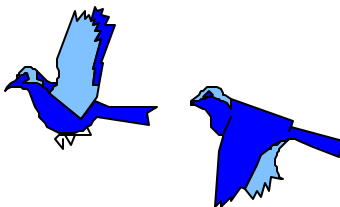

4. b. Presentations Total 5 Marks.

Sub speciality National / International annual meet total 5 marks National Meet / International
Meet out side India – Each Paper 2 marks

(Submit the Summary of each presentation of your choice, but not more than 3) maximum 5
marks.

5. Special Marks (Validation required) Total 10 marks

Guest lecturer for IOACON : IOA state chapters. Award winner, medal winner, social work,
convener of National and State Chapter meets. Convener of Orthopaedic related workshops,
Faculty member for different IOA and state chapter activities may be considered for giving marks
in this category. Due weight age may be given considering this aspect.

APPLICATION FORMAT FOR FOREIGN FELLOWSHIP, IOA

Please mention the name of the fellowship applied for

1. Name
- AgeDate of birth Sex.....
- IOA Membership number & year of joining
- Postal Address
-
- City Pin
- Phone No.Mobile No. Fax No.
2. Qualification (With month & year of Qualifying)
-
3. Present Appointment
 - a. Nature and date of appointment and Leaving / retiring
 - b. Number of Orthopaedic beds.
 - c. Teaching work done
4. Professional Experience
Date of joining the Orthopaedic profession.
(Authenticated Xerox copy of state medical council certificate must be attached.)
5. Articles published in journals and papers presented in conferences
 - a. Papers Published
 - b. Books Published
 - c. CME Lectures and papers presented
6. Have you been abroad in the last three years if yes where and when and the purpose of visit.
7. Have you availed of foreign fellowship any time ?
8. Can you leave for fellowship at the scheduled time ?
9. Are you willing to meet all your expenses abroad incurred in excess of the fellowship award money.
10. Do you propose to visit any other centre or work of interest in country to be visited.
11. What research project you have undertaken recently ?
12. Will you be available for interview by Overseas fellowship committee at your own expense at the time of IOACON.
13. State briefly how the fellowship will benefit you and the institute where you are working. Complete application with Xerox copies of all the authenticated certificates must be received by Secretary Foreign fellowship committee, IOA.

APPLY – Before September 30, 2004. Send your application by Registered Post Parcel only.

APPLICATION FORMAT FOR INLAND FELLOWSHIP OF IOA

Please tick the fellowship you are applying for and make the application in the prescribed format as it will be otherwise rejected. Please send nine copies of the application.

- ❖ Johnson & Johnson / Robert Roaf Travelling Fellowship.
- ❖ Dr. S.S. Babhulkar Fellowship.
- ❖ IOA – Dr. G.S.Kulkarni Fellowship
- ❖ WOC – SICOT: IOA Inland Fellowship
